(p) *Changes.* In addition to the changes otherwise authorized in the Changes clause of this contract, the Contracting Officer may, at any time, by written order indicated to be a change order, make changes in the Government-furnished facilities, equipment, material, services, or site. Any change order issued pursuant to this paragraph shall be subject to the provisions of the Changes clause of this contract.

(q) *Subcontracts.* The Contractor shall incorporate the substance of this clause, including this paragraph (q), in all subcontracts that require subcontractor personnel to be available to deploy with, or otherwise provide support in theater to U.S. military forces deployed outside the United States in—

(a) Contingency operations;
(b) Humanitarian or peacekeeping operations; or
(c) Other major military operations or exercises designated by the Combatant Commander.

End of clause]

Page 55, Delete in full the NOTE which begins: "The clause currently applies only to the Iraq portion..." Page 234 – delete this same note.

Page 79, Invoicing, end of paragraph H, add the following "New processes are being developed in response to BSM including a process whereby DSCP will notify the PV of the "real" CLIN number to be used before any 810 is forwarded in order to avoid discrepancies. The PV will need to be responsive to these new procedures in order to facilitate the payment process."

Page 83, MANAGEMENT REPORTS, add L - Airlift report as described on page 19 of this solicitation. Add M - The Government reserves the right to add additional reports at no additional cost.

Page 90, Delete 1st para. and substitute the following:
The information for Past Performance is to be annotated on the charts on pages 92-94. Paper copies of these charts must be submitted containing all/only the required blocks. If a vendor wishes to create their own electronic version containing the same information and submit on paper, this will be acceptable. Continuation sheets may also be utilized.

Page 103, Mobilization, 500% over estimated demands is changed to read 50%.

Page 103, SCHEDULE OF ITEMS pages ___ through ___ is changed to read pages 289 through 356.

Page 105, Numbering should be changed as follows:
Add #8 before para. that begins with the words, "All prices."
The paragraphs that follow should be numbered 9 and 10 rather than 10 & 11.

Page 107, reference to Buy American Act and Balance of Payments Program Certificate, reference is changed from "clause" to "provision," and number corrected to read 252.225-7000. Add "found on page 249 of this solicitation."

Page 110-111 Delete reference to Zone 1, Zone 2. The vendor should complete the clause at page 266 of the solicitation for each zone on which they are offering, and clearly identify which place of performance will apply to each zone (in a similar format to page 110-111, however, specific to the zones on which you are offering.)

Pricing, Page 119 para. (2) price evaluation process, delete the following sentence, "During the Government's evaluation, non-qualifying country offers will have a 50% factor added to them on a line by line basis, prior to the addition of the distribution fee. If no domestic offers are received for the line, or when a qualifying country price is lower than an offered domestic price, the 50% factor will not be added." Substitute the following, "Evaluation of the market basket will be on a group basis in accordance with FAR 25.503. See evaluation procedures at DFARS 225.502. If there are domestic offers (supplying greater than 50% domestic products), a 50% factor will be added to any non-qualifying country offer (supplying greater than 50% non-qualifying country products). If there are no domestic offers, or when a qualifying country offer (see 225.872-1 for a list of qualifying countries) is lower than the domestic offer, any non-qualifying country offers will be evaluated without the 50%. If these procedures result in a tie between a non-qualifying country offer and a domestic offer, the domestic offer will be considered the low offer on the basis of the pricing factor."

Page 127, D. Worldwide Packing List, line 5, after ".....army.mil" delete the period and insert the following "and paatrans@dscp.dla.mil".
