DSCP 52.216-9I25 ECONOMIC PRICE ADJUSTMENT-INDUSTRIAL COMMODITIES (MAY 1996)

(a) General. The unit prices of this contract shall be subject to adjustment periodically as provided herein. Although this contract has a base period of **one** year with **four, one-year** additional option years, all adjustments will be on the basis of contract calendar year as defined herein.

(b) Definitions. The terms used in this clause are defined as specified below:

- (1) Economic Indicator. The economic indicator for purposes of price adjustments to be made under this clause, will be the preliminary version of the Producer Price Index (PPI), set forth in Table 1041 of the monthly report entitled, "Producer Prices and Price Indexes," published by the Bureau of Labor Statistics (BLS), United States Department of Labor, for the Code Number and Commodity listed below:

CODE NUMBER AND COMMODITY

Code No: WPS 1041 Commodity: Hardware

For the purposes of making price adjustments in accordance with this clause, only the preliminary version of the Producer Prices and Price Indexes report will be used. No additional adjustments will be made based on issuance of the final version of the report.

- (2) Contract Date. The term which means the date of award of the contract(s) resulting from this solicitation, as set forth on the first page of the Award/Contract (Standard Form 1449).

- (3) Contract Calendar Year. The term which means a one (1) calendar year period consisting of twelve (12) calendar months. The first contract calendar year shall commence on the contract date and shall end on a date exactly twelve calendar months thereafter. Each succeeding contract calendar year shall commence on the day immediately following the last day of the preceding contract calendar year. This definition shall apply to yearly periods of the base contract term as well as to any option periods.

- (4) Contract Price. For purposes of this contract, the term, "contract price," shall mean:
 - (i) For the first Contract Calendar Year, the price(s) shown on the Award/Contract on the Contract Date.
 - (ii) For each succeeding Contract Calendar Year, the contract price(s) from the previous Contract Calendar Year appropriately adjusted pursuant to this clause.

- (5) Base Price Index. For purposes of price adjustment under this clause, this term shall mean:

- (i) For the First Contract Calendar Year, the PPI for the economic indicator for the month of the Contract Date.
- (ii) For each succeeding Contract Calendar Year, the average PPI for the economic indicator for the preceding Contract Calendar Year, calculated from the month of the contract date through the next succeeding eleven (11) months.

- (6) Adjusting Price Index. For purposes of price adjustment under this clause, this term shall mean the average PPI for the economic indicator for the preceding Contract Calendar Year, calculated from the month of the contract date through the next succeeding eleven (11) months.

NOTE: The adjusting Price Index for one Contract Calendar Year becomes the Base Price Index for the next succeeding Contract Calendar Year.

ADDENDUM TO FAR 52.212-4 (continued)

(c) Price Adjustment Periods. Performance of this contract is divided into successive periods designated,

"Contract Calendar Years," as defined in Subparagraph (b) (3) above. The anniversary of the First Contract Calendar Year shall be the first day of each succeeding Contract Calendar Year, and shall constitute the "Contract Date" for purposes of establishing the Base Price Index for the ensuing Contract Calendar Year. Further, the calendar month in which the anniversary of the First Contract Calendar Year falls shall be the "month of the contract date" for such purposes.

(d) Price Adjustment. The unit prices under this contract shall be subject to adjustment at the end of each Contract Calendar Year, whether the Contract Calendar Year is within the one year base contract term, or is in any "Option" period of the contract. Subject to the limitations set forth in this clause, the prices shall be adjusted by the same percentage that the Adjusting Price Index bears to the Base Price Index. Upon publication of the Adjusting Price Index, the Contracting Officer shall calculate the price adjustment as follows:

- (1) Divide the Adjusting Price Index by the Base Price Index to arrive at a quotient; and
- (2) Multiply the quotient derived above by the applicable contract unit price(s) for the preceding Contract Calendar Year.

The PPI to be used in calculating the above price adjustment(s) shall be that index for the Code Number and Commodity specified in Paragraph (b) (1) above. If the BLS fails to publish the selected index for the Code Number and Commodity during the preceding Contract Calendar Year, or if the Code Number and Commodity of the index cease to be relevant with respect to the intent of this clause, the Contractor and the Contracting Officer shall agree on an appropriate method of establishing the Adjusting Price Index. Failure of the Contractor and Contracting Officer to agree on an appropriate Adjusting Price Index shall constitute a dispute within the meaning of the "Disputes" clause of the contract.

(e) Contract Modifications. Subject to the limitations in Paragraph (f) of this clause, at the end of each Contract Calendar Year, the price adjustment(s) to be made hereunder shall be evidenced by a Modification signed by the Contractor and the Contracting Officer. The Modification shall be issued within thirty (30) days of the final day of the preceding Contract Calendar Year, and:

- (1) Shall set forth the unit price(s) as adjusted in accordance with this clause to establish the Contract Price(s) for the ensuing Contract Calendar Year; and
- (2) Shall adjust the unit prices for supplies covered by Delivery Orders which were issued during the preceding Contract Calendar Year, but are undelivered on the first day of the second or other succeeding Contract Calendar Year; and
- (3) Shall adjust the unit prices for supplies covered by Delivery Orders issued between the first day of the second or other succeeding Contract Calendar Year and the date of issuance of the Modification unless already adjusted under (e) (1) above; and,
- (4) Shall set forth an aggregate monetary adjustment, by way of increase or decrease, to cover the net adjustment due either to the Contractor or to the Government for all supplies covered by

ADDENDUM TO FAR 52.212-4 (continued)

Delivery Orders under which delivery was completed during the preceding Contract Calendar Year. If the adjustment results in an increase in the price(s), the monies shall be obligated at the

time of the mailing of the finalized Modification to the Contractor, and the Contractor shall submit the invoice therefore, with specific reference to the Modification by which the adjustment has been implemented. If the adjustment results in a decrease in the price(s), the Contractor shall submit its check or its credit memorandum in the amount of the decrease within thirty (30) days of the date of the Modification. Failure by the Contractor to remit payment, or to furnish a credit memorandum within the thirty (30) day period, will result in initiation by the Contracting Officer of debt collection procedures, including administrative offset against monies owed by DSCP to the Contractor under this contract or any other contract(s).

(f) Limitations. Notwithstanding any other provision of this clause, price adjustments hereunder shall be subject to the following limitations:

(1) Any upward economic price adjustment shall not exceed **10%**. Accordingly, at the end of each Contract Calendar Year when prices hereunder are adjusted to establish the contract price(s) for the ensuing Contract Calendar year such adjustment shall not exceed **10%**. Further, the aggregate monetary increase under this clause shall not exceed **10%** of the aggregate value of all Delivery Orders for which delivery was completed during the Contract Calendar Year for which the adjustment applies.

(2) There shall be no limitation on the decreases under this clause.

(g) Disputes. Any disagreement which arises in connection with the administration of this clause shall constitute a dispute under the "Disputes" clause of the contract.

(h) Warranty. The Contractor warrants that, as of the contract date, the price(s) set forth in this contract do not include any contingencies or allowances for increases in the cost of performance related to cost elements which are included in the PPI established by the BLS for the Code No. and Commodity set forth in Paragraph (b)(1) of this clause.

DSCP 52.216-9I29 DELIVERY ORDER LIMITATIONS-INDEFINITE QUANTITY CONTRACT-STOCK BUYS (MAY 1997)

(a) Definitions.

(1) The term, "**Contract Year**," means a period of twelve (12) calendar months commencing on the contract date and continuing through the twelfth (12th) calendar month thereafter.

(2) The term, "**Annual Estimated Quantity**," refers to the Government's good faith estimate of the requirements for each item during a specified "contract year." If no specific contract year is cited, the annual estimated quantity shall apply to each and every contract year during the period of the contract, including each option year, if any.

(3) The "**Annual Estimated Amount**" for an item is the amount derived by multiplying the annual estimated quantity by the contract unit price at which the item is awarded.

(4) The "**Annual Estimated Value of the Contract**" is the sum of the annual estimated amounts of the items awarded. If the contract base period is in excess of one year, the "**Estimated Value of the ADDENDUM TO FAR 52.212-4 (continued)**

Contract" will be the annual estimated value of the contract multiplied by the number of years in the base period.

(5) The term, “**Base Contract Period,**” defines a period of performance consisting of one or more contract years. For this contract, the base contract period is one contract year(s), commencing on the contract date and extending through twelve calendar months thereafter.

(6) The term, “**Guaranteed Minimum,**” is that minimum quantity, or that minimum dollar value, which the Government will guarantee the Contractor for the effective period of the contract. This is not to be confused with the Minimum Order Limitation set forth in Paragraph (b) below. The guaranteed minimum is set forth in Paragraph (e) below.

(b) Minimum Order. As applicable, the minimum quantity, or the minimum dollar value, for any individual delivery order issued under this contract will be 25% of the yearly estimated quantity. In the event that this contract includes incremental or stepladder pricing provisions, the minimum quantity for any item shall not be less than the lowest quantity set forth in the lowest quantity increment, even if the quantity ordered is part of the guaranteed minimum under Paragraph (e) below.

(c) Maximum Order Limitation. Subject to the provisions of Paragraph (e) below related to the Guaranteed Minimum, the Contractor is not obligated to honor----

- (1) Any order for an item in excess of 300% annual estimated quantity.
- (2) Any order for a combination of items in excess of \$ N/A.
- (3) A series of orders from the same ordering office within a period of 60 days that together call for quantities or dollar values in excess of the limitations in (1) or (2) of this Paragraph (c).

(d) Notwithstanding the maximum order limitations set forth in (c) above, the Contractor shall honor any order exceeding those maximum order limitations, unless that order, or orders, is/are returned to the ordering office within 5 days after issuance, with written or electronic notice stating the contractor’s intent not to ship the item or items covered by the order(s) and the reasons therefore. Whereupon, the Government may either (i) reissue the order within the maximum order limitations, or (ii) order the supplies from another source. This notice does not apply to the guaranteed minimum set forth in Paragraph (e) below, which requires the Contractor to deliver any quantity within the guaranteed minimum so long as it is in excess of the minimum order limitation of Paragraph (b).

(e) Guaranteed Minimum.

- (1) Scope of Guaranteed Minimum
 - a. For a contract with a base period of one year, if the minimum guarantee is stated in terms of quantity, the guaranteed minimum will be a percentage of the annual estimated quantity of the item.
 - b. For a contract with a base period of one year, if the minimum guarantee is stated in terms of a dollar value, the guarantee will be determined at the time of award and will be a percentage of the aggregate of the annual estimated amounts of the items awarded.
 - c. For a contract with a base period of more than one year, if the minimum guarantee is stated in terms of quantity, the guarantee will be a percentage of the annual estimated quantity for each item awarded multiplied by the

ADDENDUM TO FAR 52.212-4 (continued)

number of contract years in the base period. For a contract with a base period of more than one year, if the minimum guarantee is stated in terms

of a dollar value, the guarantee will be a percentage of the annual estimated value multiplied by the number of contract years in the base period.

- d. The minimum guarantee for any option period will be a percentage of the annual estimated quantity for each item covered by the option, if the guaranteed minimum is stated in terms of quantity, or will be a percentage of the annual estimated value, if the guaranteed minimum is stated in terms of dollar value.

- (2) The Government guarantees that it will order under this contract (and under the contract awarded for any partial set-aside) the following minimum, as applicable:

A quantity of each item which represents _____ percent of the annual estimated quantity of the item awarded. (Base period of one year).

Supplies which have a dollar value of at least 10% percent of the annual estimated value reflected on Page 1 of the contract/award. (Base period of one year).

A quantity of each item which represents _____ percent of the annual estimated quantity of the item awarded multiplied by _____ (Base period of two or more years).

Supplies which have a dollar value of _____ of the annual estimated value multiplied by ____ (Base period of two or more years).

- (3) Subject only to the minimum per order specified in Paragraph (b) above, in the sole discretion of the contracting officer, the guarantee may be placed by a single delivery order or by any number of delivery orders. The maximum quantity per order does not apply until after the guaranteed minimum.

- (4) In the event that a single delivery order covers supplies which are both within the guaranteed minimum and in excess of the guaranteed minimum, the maximum delivery order limitations, in Paragraph (c) shall apply, and the Contractor shall be governed by the notice requirement of Paragraph (d).

- (5) The aggregate of the delivery orders issued during the base contract period will be applied to the minimum guarantee as defined above. When the aggregate of the delivery orders equals or exceeds the guaranteed quantity or guaranteed dollar value, as applicable, the minimum guarantee will have been met, and the Government's obligations with regard to the guarantee will have been satisfied.

(f) "Maximum Contract Limitation." Notwithstanding any other provisions of this clause or provisions included elsewhere in this solicitation, the maximum quantity or maximum dollar value that may be obligated against this contract is **\$20,000,000.00**.

DSCP 52.217-9I05 OPTION TO EXTEND THE TERM OF THE CONTRACT – NOTICE OF EPA PROVISION (ALTERNATE) (JUL 1992) ADDENDUM I DSCP (OCT 1994)

(a) OPTION PROVISION

- (1) At the option of the Government, this contract may be extended for up to, but not exceeding, **four years** beyond the one year base contract years. The total duration of the contract, including the base contract year, shall not exceed **five years**. The option may be exercised in increments of One (1) Year by written notice to the Contractor at least Thirty (30) days prior to the date of expiration of the then existing terms.

During any term of this contract, whether the base contract year or any option year(s), prices will be subject to adjustment in accordance with the clause of this contract entitled, **EPA Industrial Commodities (DSCP 52.216-9I25 – MAY 1996)**. For purposes of the limitation on the aggregate of the increases provided by the applicable EPA clause, such adjustments shall be cumulative but not duplicative. Namely, the aggregate of the increases for orders issued during a contract term shall be governed by the limitation applicable to that contract term, and shall not be duplicated or increased because performance of the order in accordance with the delivery schedule therein causes the adjusting date to fall within a subsequent contract term which has its own limitation on aggregate increases.

(b) TERMS AND CONDITIONS

- (1) The terms and conditions of the contract for and during any period for which the option has been exercised shall be the same as those terms and conditions contained in the contract for the base contract year, subject to any adjustments in the price(s) which are warranted under Subparagraph (a)(2) above.
- (2) THE EFFECTIVE DATE OF THE MODIFICATION by which the option is exercised will be that date on which the then current term of the contract expires. For purposes of establishing the "contract price(s)" subject to adjustment under the clause entitled "Economic Price Adjustment," the "contract price(s)" on the first day of any option period will be the contract price(s) in effect on the last day of the term or period immediately preceding the period for which the option has been exercised.

(c) EVALUATION OF OFFERS

(1) Offers will be evaluated on the basis of the price(s) submitted for the base contract year only, without regard to the inclusion of this "Option" provision. The reasons are as follows:

- (i) Offerors are not permitted to offer prices for the "Option" year(s), which differ from those of the base contract year.
- (ii) This Solicitation and Offer includes a provision for Economic Price Adjustment. Therefore, offerors must submit prices which do not include contingencies for increases in costs.
- (iii) The provision of this Solicitation and Offer pertaining to the Economic Price Adjustment applies to the base contract year and to all "Option" years.

(2) CAUTION NOTICE - ASSENT TO OPTION PROVISION

OFFERORS MUST SUBMIT OFFERS WHICH INCLUDE THIS OPTION PROVISION, AND MUST INDICATE THEIR ASSENT TO INCLUSION OF THE CLAUSE EITHER BY PLACING AN "X" IN THE BLOCK BELOW, OR BY INDICATING CLEARLY ELSEWHERE IN THE OFFER THAT THEY HAVE READ AND UNDERSTAND THE CLAUSE, AND THAT THEY AGREE TO ITS INCLUSION IN THE RESULTING CONTRACT.

*** [] OFFEROR HAS READ AND UNDERSTANDS THE FOREGOING OPTION PROVISION, AND ASSENTS TO ITS INCLUSION IN ANY CONTRACT RESULTING FROM THIS SOLICITATION AND OFFER.**

FAILURE TO INDICATE ASSENT TO THE CLAUSE ABOVE, OR ELSEWHERE IN THIS SOLICITATION AND OFFER, WILL RESULT IN REJECTION OF THE OFFER AS NONRESPONSIVE, AND MAY PRECLUDE CONSIDERATION OF THE OFFER IF THIS IS A NEGOTIATED SOLICITATION AND THE CONTRACTING OFFICER ELECTS TO MAKE AWARD WITHOUT DISCUSSIONS.

[] (d) [This paragraph (d) applies if an "X" is indicated in the box provided here and in the appropriate area below and shall take precedence over any provisions of this contract or of this "Option" clause which are inconsistent herewith.]

[] (1) for purposes of this contract there will be more than a one year base contract period; the base contract period will be two years. Therefore, where reference may be made elsewhere in this solicitation/contract or in this clause to a one (1) year base contract period, a two year base contract period shall apply.

[] (2) The terms and conditions of the contract for and during any period for which the "Option" provision has been exercised shall be the same as those terms and conditions contained in the contract for the two year base contract period, except that the Government's Guaranteed Minimum shall be calculated as follows:

(i) Guaranteed Minimum Expressed in Dollars.

For each Option year, the Guaranteed Minimum will be equal to an amount represented by that fraction of the base contract period's Guaranteed Minimum which represents one (1) year of the guaranteed amount. For example if the base contract period is three (3) years, the Guaranteed Minimum for each Option year will be equal to one-third of the Total Estimated Guaranteed Minimum Value established for the base contract period.

(ii) Guaranteed Minimum Expressed in Quantity.

For each Option year, the Guaranteed Minimum will be equal to that quantity which is that fraction of the quantity of the base contract period's Guaranteed Minimum representing one (1) year of the guaranteed amount. For example if the base contract period is three (3) years, the Guaranteed Minimum for each Option year will be equal to one- third of the Total Estimated Guaranteed Minimum Quantity established for the base contract period.

The following Clause is applicable to Source Inspected Order's only as indicated by the placement of an "X" in the in the column entitled, "Source Inspection." On pages 35-41

These items may be added during the base or option periods of this contract provided that the Contractor is able to furnish the additional item(s), and the Contracting Officer and the Contractor are able to agree to terms, including reasonable price(s), as determined by the Contracting Officer.
- (b) If the Government makes multiple awards under this solicitation, additional item(s) will be awarded on a post-award basis via supplemental agreement to the Contractor(s) whose price and past performance is the most advantageous to the Government on an item-by-item basis as follows: Item description(s) will be provided to ALL successful awardees for their review and timely submission of prices. The contracting officer will evaluate the Contractor's performance by considering any or all of the following sources of information: the Contractor's performance on delivery orders issued under this contract; contracting officer knowledge of the Contractor's performance on other contracts, including other current contracts; the Contractor's Automated Best Value System (ABVS) scores; the DoD Past Performance Automated Information System (PPAIS); Dun & Bradstreet (D&B); Federal agencies other than DSCP; state and local government agencies; any other independent sources having relevant information.

The Contractor must provide complete information should the Government elect to place these items on contract without negotiation.

2. Additions or Substitutions Recommended by the Contractor.

At any time during the performance of the contract, the Contractor may recommend changes to an item covered by its contract, or may propose alternate or substitute item(s). However, unless and until the Contracting Officer approves such recommended changes, alterations or substitutions in writing, the Contractor shall provide the item specified in the contract.

The Contracting Officer shall make every effort to complete his or her evaluation within thirty (30) days after receipt of the Contractor's prices.
- (c) Unless another time is agreed to by the Contractor and the Contracting Officer, delivery of the item(s) added to the contract shall occur within 120 days after date of order.

B. DELETIONS.

1. Deletions by the Government.

- (b) Deletion of any item from the contract by the Government will constitute a Termination for Convenience.

2. Deletions Recommended by the Contractor.

- (a) During any period of performance under the contract resulting from this solicitation, the Contractor may notify the Contracting officer as to any item(s) it deems to be obsolete, unavailable, out of production or superseded, and may recommend the deletion of such item(s) from the contract. If an obsolete item has no replacement, the notice shall include information concerning the availability of alternate sources or substitute item(s). If, based on the recommendation of the Contractor, an item is, or a number or items are, deleted from the contract, the deletion shall be a Termination for Convenience.

3. Administration of Deletions.

- (a) Upon notice from the Contracting Officer of a proposed deletion, the Contractor shall stop work immediately on any/all undelivered orders for the

item(s) identified for proposed deletion. Within ten (10) days of receipt of the notice of proposed deletion, the Contractor shall notify the Contracting Officer as to whether the proposed deletion will cause an increase or decrease in, or have no effect on, the cost to the Government under the contract, and shall provide an estimate of any cost impact. Unless a longer period is authorized by the Contracting Officer, within 30 days of receipt of a Modification deleting one or more items from the contract, the Contractor shall submit its termination settlement claim.

- (b) As soon as practicable after receipt of a recommendation from the Contractor to delete one or more items from the contract, the Contracting Officer will notify the Contractor of approval or disapproval of the recommendation. Upon coordination/approval of a proposed deletion, the Contracting Officer will issue a Modification implementing the deletions.
- (c) Unless a longer time has been authorized by the Contracting Officer, the Contractor shall submit its claim for termination settlement costs, if any, no later than thirty (30) days after receipt of the deletion notice, or shall notify the Contracting officer within that time period that the deletion may be at no cost to either party. This applies whether the deletion is the determination of the Contracting Officer's own initiative, or whether the deletion is the result of the Contracting Officer's acceptance of the Contractor's recommendation that an item, or items be deleted.
- (d) Deletions (terminations for convenience) shall be implemented by a Contract Modification. Upon agreement as to settlement costs, if any, a Supplemental Agreement signed by the Contractor and the Contracting Officer shall finalize the agreement.
- (e) Failure of the Contractor and the Contracting Officer to agree on the amount of a termination settlement shall constitute a dispute under the "Disputes" clause of the contract.

52.217-9I16 SURGE OPTION REQUIREMENT (MAY 2004) DSCP

Notwithstanding any order limitations specified elsewhere in this solicitation, the contractor must satisfy the surge and sustainment requirements set forth in this clause.

(a) Definition.

Surge Requirements are unanticipated demands for accelerated delivery of supplies or services within existing industrial abilities during wartime and during peacetime emergencies. This includes the ability of the supplier to ramp-up quickly to meet early requirements as well as to sustain the increased pace throughout the emergency.

(b) Surge Option.

The Government reserves the right to exercise an option under this contract to meet surge requirements on an item by item basis as shown on the attached spreadsheet(s). The Government also reserves the right to accelerate the rate of delivery called for by the contract, if this is a definite quantity contract; or, if this is an indefinite delivery contract, establish an accelerated rate of delivery for orders issued under this option.

(c) Special Terms and Conditions Related to Surge Requirements.

If the Contractor is a manufacturer, the materials needed to produce the surge quantities specified in the attached spreadsheet shall be acquired, stored and managed by the Contractor. If the Contractor is a non-manufacturer, the resources needed (for example, access to raw material, inventories, production capabilities, and transportation services) to provide the surge quantities as specified in the attached spreadsheet shall be obtained by the Contractor. In either case, the Contractor shall maintain and rotate these materials and/or end items and/or continuously maintain access to the resources needed to support surge requirements. The Contractor is contractually obligated to ensure that the capabilities exist to fulfill the surge requirements specified in the attached spreadsheet, if and when the Surge Option is exercised.

The Contractor shall not revise the surge option delivery schedule without the prior approval of the contracting officer.

The contracting officer may exercise this Surge Option at any time** prior to acceptance by the Government of the final scheduled delivery under the contract. At his or her discretion, the contracting officer may provide preliminary notification of the exercise of this Surge Option verbally or by written or electronic means, which shall state the quantities to be added or accelerated under the terms of the clause. The preliminary notice will be followed by a Contract Modification incorporating the previously given notice, and establishing a not-to-exceed price, unless a previously agreed to surge option price has been established. The not-to-exceed price shall be the highest contract unit price for the added or accelerated items on the date of the notice.

ADDENDUM TO FAR 52.212-4 (continued)

The prices applicable to the basic contract quantities shall be those prices stated in the Award/Contract. The prices applicable to the surge option quantities shall be the agreed to or not-to-exceed prices mentioned in the preceding paragraph. If an agreed to price has not been established at the time of the exercise of the option, no later than thirty (30) days after the date of the exercise of the option, the Contractor shall submit a cost or price proposal, together with justification for the cost/price, including holding or storage costs, for the materials required to produce the added/accelerated items (if the Contractor is a manufacturer), or for the added or accelerated items (if the Contractor is a non-manufacturer). Any failure to agree on a final price applicable to those materials or items within the scope of this Surge Option provision shall be a dispute within the meaning of the Disputes clause of the contract. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show--

(e) *Multiple Offers.*

Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) *Late submissions, modifications, revisions, and withdrawals of offers.*

FAR 52.212-1 (continued)

(1) Offerors are responsible for submitting offers, and any modifications, revisions or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is “late” and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and-

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government’s control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) *Contract Award* (not applicable to Invitation for Bids).

The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror’s initial offer should contain the offeror’s best terms from a price and technical standpoint. However, the Government reserves the right to conduct

discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept

FAR 52.212-1 (continued)

other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) *Multiple Awards.*

The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following technical (i.e., non-price) factors, listed in descending order of importance, shall be used to evaluate offers:

- Factor I: Past Performance
 - Sub-factor A. Delivery
 - Sub-factor B. Business Relations/Customer Satisfaction
 - Sub-factor C. Quality
 - Sub-factor D. Socioeconomic Considerations
 - Sub-factor E. Javits-Wagner-O’Day (JWOD) Considerations

Factor II: Socioeconomic Considerations

Factor III: Javits-Wagner-O’Day (JWOD) Considerations

Factor I is of the highest importance Sub-factors A-E listed above are in descending order of importance.

Technical factors are:

- Significantly more important than cost or price
- Essentially equal to cost or price
- Significantly less important than cost or price

- (b) *Options.* The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced.
- (c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer’s specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

ADDENDUM to FAR 52.212-2**SOURCE EVALUATION AND SELECTION PROCEDURES:****(a) Overview:**

Subsequent to the date specified in the solicitation for receipt of proposals, all timely proposals will undergo a ***Technical and Business Proposal Evaluation*** as described in paragraph (b) below. The contracting officer will make a competitive range determination based on these evaluations and submit it to the Source Selection Authority (SSA) for approval. Unless an award is made on the basis of initial proposals, written and/or oral discussions will be conducted with all offerors in the competitive range. *Revised and "Final Proposal Revisions" (FPRs)* resulting from discussions will undergo further Technical and Business Proposal Evaluations. *That proposal which is most advantageous to the Government according to the evaluation factors in FAR 52.212-2, "EVALUATION-COMMERCIAL ITEMS", will be selected for award.*

Note: The Defense Supply Center Philadelphia (DSCP) reserves the right to award this solicitation to multiple contractors pending the outcome of the source selection process. Awards will be made to the responsible contractor(s) whose proposal(s) is/are the most advantageous to the Government as determined by the evaluation of proposals according to the evaluation factors in Clause 52.212-2, "EVALUATION-COMMERCIAL ITEMS".

(b) Evaluation Process:**(1) Technical Evaluation:**

Offerors are required to submit technical proposals as described in the ADDENDUM TO FAR 52.212-1 entitled "**SPECIAL INSTRUCTIONS FOR THE SUBMISSION OF SOURCE SELECTION PROPOSAL INFORMATION**" of this solicitation. Each technical proposal will be evaluated against the Technical Factors as specified in FAR 52.212-2, EVALUATION – Commercial Items. Proposals so technically deficient as to make them technically unacceptable *may* be rejected as unacceptable, regardless of the cost or price offered. No discussions will be held with offerors whose proposals have been rejected, nor will any offeror of a rejected proposal be given an opportunity to revise its offer to correct those deficiencies in order to make the proposal acceptable after the date and time set for receipt of initial offers. Offerors are *encouraged to provide an accurate, complete Technical Proposal*, otherwise they *may* be required to resubmit all or part of their Technical Proposal during negotiations.

(2) Business Evaluation:

Each proposal will be evaluated against the requirements of the solicitation. The Government will evaluate cost or pricing data or limited pricing information, if requested, with initial

proposals or during discussions, in accordance with FAR Subpart 5.4. The Government will evaluate the successful offeror's proposal to determine cost/price realism. Cost/price realism means the costs in an offeror's proposal are realistic for the work to be performed, reflect a clear understanding on the part of the offeror of the solicitation requirements, and are consistent with the various elements of the offeror's technical proposal.

ADDENDUM to FAR 52.212-2 (continued)**EVALUATION OF TECHNICAL FACTORS**

For the purposes of this solicitation, *TECHNICAL FACTORS will be considered significantly more important than price.*

FACTOR I. EVALUATION OF PAST PERFORMANCE:**GENERAL INFORMATION:**

The past performance information furnished by the offeror in accordance with the Addendum to FAR 52.212-1 of this solicitation will receive consideration in varying degrees based on the similarity of this acquisition, and the similarity of the contract types of the contracts/orders listed by the offeror to the type of contract contemplated by this solicitation. The offeror's performance record will be assessed to determine if it demonstrates a level of performance that provides a reasonable assurance that the solicitation requirements will be met.

Past Performance information will be used in the determination of the best value to the Government. This evaluation process will focus on information that demonstrates quality of performance relative to the type, size and complexity of this acquisition.

In addition to information obtained from DSCP's records, data or information relating to the offeror's performance *may* be obtained from sources other than those listed pursuant to this provision, or other than the references furnished by the offeror. Examples of such sources are the Automated Best Value System (ABVS), Dunn & Bradstreet (D & B), Federal agencies other than DSCP, state and local government agencies, and any other independent source or sources which might have information which is considered relevant.

Evaluation of past performance *may be subjective* based on consideration of all relevant facts and circumstances. Included in the determination will be conclusions as to the offeror's commitment to customer satisfaction, and other conclusions which will be based on informed judgment. The basis for the conclusions of judgment will be documented and will be furnished to offerors upon request during debriefing.

If the offeror has no past performance history, the Government will evaluate the experience of the offeror's key management and/or technical personnel or the past performance history of any predecessor company as applicable. Proposals from offerors whose key personnel and/or predecessor company(ies) have past performance histories demonstrating a high level of commitment to on-time delivery, quality, and business relations/customer satisfaction will be rated more favorably.

If an offeror does not have a relevant past performance history, or has no performance history, and its key personnel have no past performance or relevant past performance, the offeror will not be evaluated favorably or unfavorably on past performance, the Offeror will receive an evaluation of “No Record”.

ADDENDUM to FAR 52.212-2 (continued)

CONTRACT INFORMATION FURNISHED BY THE OFFEROR WILL BE EVALUATED IN THE FOLLOWING ORDER OF PRIORITY:

- (1) Contracts/orders awarded by DSCP for the same or similar items of supply as are covered by this solicitation.
- (2) Contracts/orders awarded by DSCP for supplies within the same Federal Stock Class as those items of supply included in this acquisition.
- (3) Contracts/orders for the same or similar items, and similar in scope of performance (*high volume of orders for Direct Vendor Delivery and/or Stock*) as the contract contemplated by this acquisition awarded by a government agency other than DSCP, or by a commercial customer.

PAST PERFORMANCE SUBFACTORS:

Past Performance will be evaluated based on the following considerations.

Sub-factors are also listed in **descending** order of importance, with Sub-factors

A., B, and C being of equal importance. Sub-factors D. & E. are of equal importance, but less important than sub-factors A, B, and C.

- A. Delivery
- B. Business Relations/Customer Satisfaction
- C. Quality
- D. Socioeconomic Considerations
- E. Javits-Wagner-O’Day (JWOD) Consideration

Sub-factor A. The Government will evaluate the offeror’s Delivery. We will review the offeror’s record of on-time performance. Accordingly, the offeror’s past performance record will be evaluated to ensure its ability to handle the volume of sales similar to the solicitation’s estimated requirements with on-time delivery and to assess its experience in complex contracting with an emphasis on Stock Delivery.

Sub-factor B. The Government will evaluate the offeror’s Business Relations/Customer Satisfaction. Accordingly, we will evaluate the offeror’s credibility and commitment to favorable business relations and customer satisfaction, including its overall concern for the interests of the customer.

Sub-factor C. The Government will evaluate the offeror’s Quality of Past Performance. Accordingly, we will evaluate the offeror’s ability to provide a quality product in conformance with the requirements of the solicitation without deviation or product quality deficiencies.

Sub-factor D. The Government will evaluate the offeror's experience in socioeconomic programs by determining how well the contractor adhered to its subcontracting plan (which included subcontracting with Small , Small Disadvantaged, Women-owned Small Business, Veteran-owned, and Service-disabled Veteran Small business concerns). The Government will solicit information from the Defense Contract Management Agency (DCMA) and from other **ADDENDUM to FAR 52.212-2 (continued)**

persons and organizations. The Government reserves the right to limit the number of references it decides to contact and to contact references other than those provided by the offeror. Offerors who have met their subcontracting goals will receive a more favorable rating. Offerors who have exceeded their subcontracting goals will receive the most favorable rating. Offerors who were not awarded a Government contract with a subcontracting plan will receive a neutral rating.

Sub-factor E. In addition, the Government will evaluate the offeror's past performance in affording subcontracting opportunities to Javits-Wagner-O'Day (JWOD) entities. Offerors who have provided support to JWOD concerns will receive a more favorable rating. Offerors who have been awarded a contract resulting from a solicitation that included this JWOD evaluation factor but have not provided support to JWOD entities will receive a less favorable rating. Offerors who have been awarded a contract resulting from a solicitation that did not include this JWOD evaluation factor and have not provided support to JWOD concerns will receive a neutral rating for this portion of the past performance evaluation factor.

FACTOR II. EVALUATION OF SOCIO-ECONOMIC PROPOSAL:

The Socio-Economic Proposal provided by the offeror under the Addendum to FAR 52.212-1 will be evaluated on a comparative basis among all offerors. An offeror who proposes a higher percentage, complexity level, and variety of participation by Small Business (SB), Small Disadvantaged Business (SDB), Women-owned Small Business (WOSB), Veteran-owned, and Service-disabled Veteran Small business concerns combined generally will receive a higher rating on this factor. An offeror's efforts to develop additional opportunities for small, small disadvantaged, veteran-owned and women-owned small businesses will also be comparatively evaluated with the proposals of other offerors. The successful offeror's proposal for socio-economic support will be made a part of any resulting contract for use in determining how well the contractor has adhered to its socio-economic plan. This plan will be monitored by the cognizant Defense Contract Management Agency's small business office as a means of assisting the Contracting Officer in determining how well the contractor has in fact performed. This determination will then be used as a consideration prior to option exercise and future source selection decisions. Performance on prior contracts in subcontracting with and assisting SB, SDB, WOSB, Veteran-owned, and Service-disabled Veteran Small business concerns will be part of past performance evaluation.

FACTOR III. EVALUATION OF JAVITS-WAGNER-O'DAY ACT (JWOD) PROPOSAL:

The Javits-Wagner-O'Day Act (JWOD) Entity Proposal provided by the offeror under the Addendum to FAR 52.212-1, Instructions to Offerors - Commercial Items, will be evaluated on a comparative basis among all offerors. An offeror who proposes or demonstrates a higher

percentage, complexity level, and variety of participation by JWOD qualified nonprofit agencies for the blind or other severely disabled as subcontractors beyond those items for which JWOD entities are the mandatory source generally will receive a higher rating on this factor during the source selection process. The successful offeror’s proposal for such support will be made a part of any resulting contract for use in determining how well the contractor has adhered to its plan. This plan will be monitored by the cognizant Defense Contract Management Agency activity as a

ADDENDUM to FAR 52.212-2 (continued)

means of assisting the contracting officer in determining how well the contractor has in fact performed. This determination will be one factor used in the placement of orders against multiple award contracts and/or the exercise of options in the contract’s follow-on years (s applicable). Performance on prior contracts in subcontracting with and assisting JWOD entities will be used as an element of past performance evaluation in subsequent source selection decisions.

52.215-9I14 EVALUATION OF PAST PERFORMANCE UNDER THE AUTOMATED BEST VALUE SYSTEM (ABVS) PROGRAM (DEC 1999) DSCP

(a) In addition to price and other related factors, offers on this acquisition will be subject to the Defense Logistics Agency's (DLA) ABVM program, an automated system which collects and analyzes offerors' past performance history and assigns a numeric score. In accordance with the program, which is described in clause 52.215-9I12, NOTICE: Automated Best Value System (ABVS) Program, located elsewhere in this solicitation, the Contracting Officer will make a comparative assessment of performance risk by considering offerors' scores and evaluated prices, and make an award to the firm whose offer represents the greatest value to the Government.

(b) Price vs. Performance.

For this acquisition, price and performance factors will be evaluated equally.

Price is of greater importance than performance.

Performance is of greater importance than price. See paragraph (c) for order of precedence concerning the performance factors.

(c) Quality vs. Delivery.

For this acquisition, the performance factor considers quality performance and delivery performance to be of equal value.
