

SMS Data Products Group, Inc.

SRS Series Data Storage Subsystem *The SRS Series is the scalable, modular solution to enterprise-wide Redundant Array of Independent Disks (RAID) storage. The dual chassis SRS Series is a universal, standards based storage platform for hard disk RAID delivered on multiple, concurrent and redundant Ultra II SCSI (LVD) and Fibre Channel Data I/O paths. The SRS can be configured with any drive size and can be scaled up from a few Gigabytes to well over 10-12 Terabytes. Please call for configuration assistance and part numbers for your given requirement. The SRS comes standard with a three year advance replacement warranty. All components are hot swappable.*

| Item Description | SMS' P/N | NSN Number |
|---|-----------|------------------|
| SRS Series Enterprise Level SCSI RAID Subsystem currently populated with (12) 9.1GB Drives (low and high capacity systems available) | S850S12MC | 7025-01-467-8865 |
| SRS Series Enterprise Level Fibre Channel RAID Subsystem currently populated with (12) 9.1GB Drives (low and high capacity systems available) | S850F12MC | 7025-01-467-8861 |

Millennia Series CD-ROM Tower Systems *This rackmount or standalone system is based on the Series 700 scalable, modular chassis. Choose preconfigured or customize to your needs. Chassis and componets are hot swappable and covered by three year advance replacement warranty.*

| Item Description | SMS' P/N | NSN Number |
|---|----------|------------------|
| SMS Millennia Series 700. Scaleable, modular dual SCSI Backplane CD ROM Chassis with 8 Swappable Bays. Empty Chassis will accommodate drive cells and connectivity modules. | S700 | 7025-01-425-1810 |
| Same as S700, except in a rack configuration right out of the box. | S700R | 7025-01-425-1811 |
| Preconfigured Series 700 SCSI Workgroup Tower (consisting of one S700 Chassis and 7 Standard CD-ROM Drive Cells, cables and terminator) | S7007S | 7025-01-425-1805 |
| Preconfigured Series 700 SCSI Workgroup Tower (consisting of (3) S700 Chassis, 21 Standard CD-ROM Drive Cells and S3000U Millennia Upright) | S70021S | 7025-01-425-1809 |
| Preconfigured Series 700 Network Direct Workgroup Tower (consisting of one S700 Chassis, 7 Standard CD-ROM Drive Cells and an Ethernet Connectivity Module for NT) | S7007NT | 7025-01-425-1808 |
| Series 700 Connectivity Modules (CAN ONLY BE PURCHASED IN CONJUNCTION WITH A MILLENNIA SERIES SYSTEM) | | |
| Ethernet Connectivity Module for Windows NT, WFW, UNIX, DOS (NFS over TCP/IP: SMB over NetBEUI) and Novell. When added to the S7007S, the tower can be plugged in directly to the network and viewed as a single drive letter, with each of its' drive as a subdirectory. Supports 7 drives. | CMAX | 7025-01-425-1816 |
| Ethernet Connectivity Module for Novell/NT, cache-capable. | CMAXC | 7025-01-467-8911 |
| Ethernet Connectivity Module for Windows NT, WFW, UNIX, DOS (NFS over TCP/IP: SMB over NetBEUI) and Novell. When added to the S7007S, the tower can be plugged in directly to the network and viewed as a single drive letter, with each of its' drive as a subdirectory. Supports 14 drives. | CMAXDC | 7025-01-447-3460 |
| Discport Ethernet Connectivity Module for Novell 3.X and 4.X (Bindery Emulation or NDS) | CMDP | 7025-01-425-1818 |
| Discport Pro Ethernet Connectivity Module for Novell 3.X and 4.X (Bindery Emulation or NDS) and Windows NT | CMDPP | 7025-01-425-1820 |

|--|------------------------|------------------|
| Series 700 Drive Cell (CAN ONLY BE PURCHASED IN CONJUNCTION WITH A MILLENNIA SERIES SYSTEM) | | |
| 5 Disk Changer/Jukebox with one 16X Drive, ready for insertion into S700 Chassis, up to 7 per chassis | DCN101 | 7025-01-449-9259 |
| DVD Drive Cell | DCX201 | 7025-01-467-8890 |
| Series 3000 Base Departmental Systems | | |
| Millennia Series 3000 Departmental Frame (consisting of one 8 Portal Frame with Ambient Air Filtration) | S3000 | 7025-01-449-9266 |
| Millennia Upright-4 Portal Cabinet with locking , smoke glass front door | S3000U | 7025-01-449-9268 |
| Accessories | | |
| The Premiere SCSI Interface Kit. A complete solution for interfacing multiple SCSI CD-ROM readers. This kit contains a high performance fast SCSI 2 16-bit interface card, installation software, cable, and terminator. | 2470PRMKIT | 7025-01-425-7253 |
| The Standard SCSI Interface Kit for interfacing multiple SCSI CD-ROM readers. This kit contains a 16 bit SCSI 2 interface card, installation software, cable and terminator. Recommended for use in MS DOS, Windows and standalone environments. | 2470STDKITA | 7025-01-425-7252 |
| Dual Channel PCI Interface kit (This kit contains a 16 bit fast and wide SCSI PCI interface card with dual channels, installation software, cables, and terminator) | 2470DCHKIT | 7025-01-425-7258 |
| Value Line Series and Value Line Bundled Systems Always a great value. These systems feature a one year warranty and utilize the latest in CD-ROM technology. | | |
| Item Description | SMS' P/N | NSN Number |
| 2 Bay CD-ROM Drive Tower (includes one CD-ROM drive and (1) five disk changer with standard kit) | 1070TOWER2/6K | 7025-01-451-1849 |
| 2 Bay CD-ROM Drive Tower (includes one CD-ROM drive and (1) five disk changer) | 1070TOWER2/6KADD | 7025-01-453-1240 |
| 2 Bay CD-ROM Drive Tower with enhanced standard kit | 1070TOWER2SK20 | 7025-01-451-1851 |
| 2 Drive Add on CD-ROM Tower for daisy chaining | 1070TOWER2 | 7025-01-453-1243 |
| 4 CD-ROM Drive Tower | 1070TOWER4 | 7025-01-457-9387 |
| 4 Drive CD-ROM Tower with (3) five disk changers | 1070TOWER4/15 | 7025-01-458-0111 |
| 4 Drive CD-ROM Tower with (3) five disk changers for Windows NT | 1070DPTOWER4/15NT | 7025-01-458-0092 |
| 4 CD-ROM Drive Tower and standard kit convenience bundle | 2470STDKITA/1070TOWER4 | 7025-01-457-9466 |
| 4 CD-ROM Drive Tower and dual channel interface kit convenience bundle | 2470DCHKIT/1070TOWER4 | 7025-01-457-9445 |
| 7 CD-ROM Drive Tower and standard kit convenience bundle | 2470STDKITA/1070TOWER7 | 7025-01-452-6550 |
| 7 CD-ROM Drive Tower and dual channel interface kit convenience bundle | 2470DCHKIT/1070TOWER7 | 7025-01-452-6553 |
| 12X CD-ROM Drive Cell with generic drives and standard kit convenience bundle | 2470STDKITA/DCX107 | 7025-01-452-6565 |
| 14 CD-ROM Drive Tower | 1070TOWER14 | 7025-01-457-9470 |
| 14 CD-ROM Drive Network Direct Tower for Windows NT | 1070DPTOWER14NT | 7025-01-457-9398 |
