## OmniGlow<sup>tm</sup>

OmniGlow - a quality vendor for the U.S. Military - has been manufacturing chemical light products "chemlights" for the U.S. Government for decades. OmniGlow chemiluminescent products provide government and military agencies with portable, effective, non-battery-dependent light sources for use in covert, night-time and emergency operations.

OmniGlow's military line currently consists of 1.5", 3", 4", 6", 10" and 15" CYALUME and SNAPLIGHT® Lightsticks, PML® Personnel Marker Lights, S.O.S. Lightsticks and LITESHAPE® Stick-on Buttons. Visible colors (GREEN, YELLOW, RED, BLUE, ORANGE and WHITE) are produced with a broad range of light intensity and duration. Non-visible infrared is also available in many shapes, sizes and intensities.

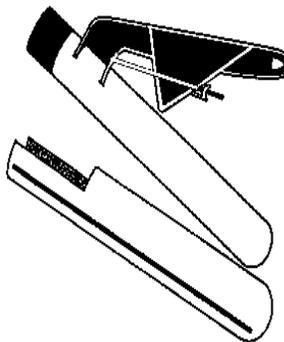

The products are used for hundreds of applications: to color-code units, vehicles and equipment, mark safe routes, identify hazards such as mines, and for underwater operations and night-time ship-to-ship identification at sea.

### PML® Personnel Marker Light

Features: Coast Guard and FAA Approved. Sturdy, plastic outer casing. Emits 360 degrees of illumination. 4 year shelf life, squeeze handle activation handle clip attachment, visible up to one mile.

Applications: personnel identification, rescue-at-sea signal, man-overboard light, evacuation signal.

6260-01-086-8077 GREEN 8 HOUR 9-27058

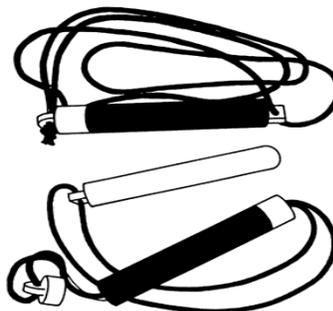

### S.O.S.® Light & Signal

Features: Sturdy, plastic outer casing emits 360 degrees of illumination. 2-4 year shelf life. Visible up to one mile. 30-inch lanyard attachment. Casing acts as a handle

Applications: man-overboard light, directional/traffic signal, rescue-at-sea signal, land evacuation signal

6260-01-334-4274 GREEN 8 HOUR 9-27780  
6260-01-334-6826 ORANGE 5 MINUTE 9-27781

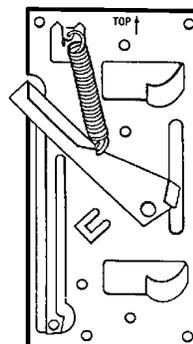

### Surface Trip Flare

Features: Non-pyrotechnic booby-trap. Reusable up to 5 times. Used with 6" chemlights. Lightweight, easy to mount. Non-flammable. Ultra ORANGE lightstick included

Applications: Early warning, perimeter control, code avenues of approach, airstrip security control, coding and sealing off ranges, security of explosives and fuel.

6260-01-247-2937 ORANGE 5 MINUTE 9-27108
