

**SUBJECT: RMI Notification of Award**  
**Solicitation Number: SP0500-03-R-0124**

**July 1, 2004**

The subject Request for Proposal (RFP) was solicited commercially in accordance with FAR Part 12. It was synopsisized in FedBizOpps and was also available on the Procurement Gateway.

The solicitation contained evaluation provisions stating that the Contract award(s) would be made to the responsible offeror(s) whose offer provides the best value at the lowest overall price (technical evaluation, price and other factors considered). Past Performance Evaluation Factor was included in the solicitation. As stated in the solicitation, past performance is equally important to price.

A total of 28 market baskets were solicited. Price analysis indicated that 9 baskets provided fair & reasonable prices along with projected savings. The remaining 19 baskets were cancelled due to lack of projected savings. Of those baskets, 9 baskets were determined to represent best value awards for the government.

Best Value contract awards were issued as follows:

Copies of the award documents can be found on the RMI website at <http://www.dscpl.dla.mil/gi/smsrmi/Phase1.htm> under the heading Awards.

The remaining solicited baskets are unawardable (cancelled) due to lack of anticipated savings. After considerable analysis, it was determined that the following baskets would cost more money to award as a long-term contract than traditional methods of procurement.
