Here's the latest news -

Demonstration Lab Proceeds

Recently, representatives from the Army, Navy, Military Sealift Command and Marine Corps did have the opportunity to spend a few days at DSCP, to participate in the use of the demonstration laboratory software supporting STORES Retail. A representative from the Air Force and another representative from the Navy will be at DSCP before the year's end, to participate in lab demonstrations.

Common Access Cards

DSCP is presently examining the Common Access Cards (CAC) applications already in use by the Military Services, to learn more about the cards, and to take advantage of best use practices already in place.

Acquisition Artifacts

DSCP continues to develop and prepare program management artifacts, a necessary requirement for the approval of an acquisition of this scope.

Thank you for your support!

Happy Holidays!!!!

!!!!STAY TUNED FOR ADDITIONAL STORES RETAIL INFORMATION IN THE NEAR FUTURE!!!!
