Restricted Products

FRUIT AND VEGETABLES ----subject----

?? All fruit and vegetables not listed as prohibited

Phytosanitary certificate (PC) is required. See specific plant entries listed in the Product Requirements section.

?? All fresh fruit

?? from all States

Additional declaration (AD) that, "This shipment has been produced and packed in an area outside quarantine regulated area for fruit flies (Medfly, OFF, Mexfly, etc.)."

All fresh fruit must be produced and packed outside the area regulated for fruit flies. All fresh fruit passing through the quarantine regulated areas for fruit flies must either be moved in enclosed vehicles or completely enclosed by coverings such as canvas, plastic, or other closely woven cloth, etc. to prevent the entry of fruit flies. Enclosed vehicles may not be opened, unpacked, or unloaded in the quarantine regulated areas.

The State and county of origin must be shown in the "Place of Origin" block.
