1. Delivery at Anchorage Provision:

Set forth on page 31, paragraph D of the above cited contract; "For delivery of product... delivery will be arranged by the Prime Vender and end user (customer) and will be separately priced." The following arrangements have been made:

- Reefer Trailers will be loaded at BMMI in the usual manner; frozen items ordered would be delivered on wing type pallets.
- Pallet height will not exceed 54", all pallets would be labeled, shrink wrapped and accompanied by manifest sheets.
- Reefer Trailers will be driven onto the Barge and would arrive at customer delivery point in the correct temperature controlled environment, packages will be solid upon arrival and there would no requirement to re-build pallets for loading onto the vessel.
- Goods will be transferred to vessels directly from the Reefer Trailers pallet at the time of standard port deliveries and will be craned onto the ship.

BMMI will invoice DSCP on a per delivery basis for this service. DSCP will not be responsible for any of the associated risk (routine or anticipated) inherent in these deliveries, to include restocking fees.

2. All other terms and conditions remain the same.
