

## **CAUTION NOTICE**

### **A T T E N T I O N   C O N T R A C T O R S !**

In response to two separate but related legislative actions, the Department of Defense (DoD) has established a “**DoD Central Contractor Registration (CCR)**” database. The Federal Acquisition Streamlining Act of 1994 (PL 103-355) requires the broad use of Electronic Commerce and Electronic Data Interchange (EC/EDI) by Federal Agencies and the Debt Collection Improvement Act of 1996 (31 U.S.C. 7701) requires electronics funds transfer (EFT) for payment. The company and address stated in block 17a. of Standard Form 1449 (page 1 of the attached solicitation) therefore **MUST** be registered in the DoD CCR database if you want to continue doing business with any DoD Agency, regardless of whether EC/EDI is a requirement for award.

DoD has published guidelines for CCR in the DoD Federal Acquisition Regulation Supplement (DFARS). This DFARS coverage (Dept Letter D.L. 98-008, dtd March 31, 1998) can be viewed at <http://www.acq.osd.mil/dp/dars/dfarltrs.html>. The DFARS coverage on CCR applies to the award on **any** contract, basic agreement, basic ordering agreement, or blanket purchase agreement after May 31, 1998.

**For registration information or assistance, or for annual confirmation requirements, visit the Central Contractor Registration Web site at <http://www.ccr.gov>, or call 1-888-227-2423.**

Your attention is directed to clause 252.204-7004 Required Central Contractor Registration (Nov 2001) found on page 39 of the attached solicitation for further information.

**\*\*Please Note\*\*:** Unregistered contractors may be deemed ineligible for award.

### **NOTICE # 3 – TO OUR VALUED SUPPLIERS**

The Defense Supply Center Philadelphia (DSCP) currently uses an ordering system known as STORES (Subsistence Total Ordering and Receipt Electronic System) from which the DoD customers have the capability to order items electronically under the resulting contract awarded from this solicitation. Initially, all orders will be sent via facsimile to your company from the DoD customers.

Contractors are encouraged to become EDI capable as the intent is for all orders to be sent electronically using a standard EDI purchase order (ASC X12 version 3040 transaction set 850) directly from the customer to you, the supplier, and eventually adding electronic invoicing to the process. Your company should therefore consider taking the necessary steps to enable your company to compete for business in the future. Your attention is directed to clauses 52.204-9P01 Submission of Information Regarding Electronic Data Interchange (EDI) (Mar 1994) DSCP (page 47 ) and 52.204-9P02, Information Relating to Electronic Data Interchange (EDI) (Mar 1994) DSCP (page 48 ). Our goal at the Defense Supply Center Philadelphia is to utilize EDI to the maximum extent possible.

**(b) Submission of Offers.**

Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show--

- (1) The solicitation number;
- (2) The time specified in the solicitation for receipt of offers;
- (3) The name, address, and telephone number of the offeror;
- (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;
- (5) Terms of any express warranty;
- (6) Price and any discount terms;
- (7) "Remit to" address, if different than mailing address;
- (8) A completed copy of the representations and certifications at FAR 52.212-3;
- (9) Acknowledgment of Solicitation Amendments;

- (11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

**(c) Period for Acceptance of Offers.**

The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

**(d) Product Samples.**

When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

**(e) Multiple Offers.**

Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

**52.212-1 (continued)****(f) Late Submissions, Modifications, Revisions, and Withdrawals of Offers.**

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is “late” and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government’s control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

**52.212-1 (continued)****(g) Contract Award** (not applicable to Invitation for Bids).

However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

**(h) Multiple Awards**.

The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. DFARS**

**(a) Definitions.**

As used in this clause--

(1) "Central Contractor Registration (CCR) database" means the primary DoD repository for contractor information required for the conduct of business with DoD.

(2) "Data Universal Numbering System (DUNS) number" means the 9-digit number assigned by Dun and Bradstreet Information Services to identify unique business entities.

(3) "Data Universal Numbering System +4 (DUNS+4) number" means the DUNS number assigned by Dun and Bradstreet plus a 4-digit suffix that may be assigned by a parent (controlling) business concern. This 4-digit suffix may be assigned at the discretion of the parent business concern for such purposes as identifying subunits or affiliates of the parent business concern.

(4) "Registered in the CCR database" means that all mandatory information, including the DUNS number or the DUNS+4 number, if applicable, and the corresponding Commercial and Government Entity (CAGE) code, is in the CCR database; the DUNS number and the CAGE code have been validated; and all edits have been successfully completed.

**(b)** (1) By submission of an offer, the offeror acknowledges the requirement that a prospective awardee must be registered in the CCR database prior to award, during performance, and through final payment of any contract resulting from this solicitation, except for awards to foreign vendors for work to be performed outside the United States.

(2) The offeror shall provide its DUNS or, if applicable, its DUNS+4 number with its offer, which will be used by the Contracting Officer to verify that the offeror is registered in the CCR database.

(3) Lack of registration in the CCR database will make an offeror ineligible for award.

(4) DoD has established a goal of registering an applicant in the CCR database within 48 hours after receipt of a complete and accurate application via the Internet. However, registration of an applicant submitting an application through a method other than the Internet may take up to 30 days. Therefore, offerors that are not registered should consider applying for registration immediately upon receipt of this solicitation.

**(c)** The Contractor is responsible for the accuracy and completeness of the data within the CCR, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the CCR database after the initial registration, the Contractor is required to confirm on an annual basis that its information in the CCR database is accurate and complete.

**52.233-9000 AGENCY PROTESTS (SEP 1999) DLAD**

Companies protesting this procurement may file a protest 1) with the contracting officer, or 2) with the General Accounting Office, or 3) pursuant to Executive Order 12979, with the Agency for a decision by the Activity's Chief of the Contracting Office. Protests filed with the agency should clearly state that they are an "Agency Level Protest under Executive Order 12979." (Note: DLA procedures for Agency Level Protests filed under Executive Order No. 12979 allow for a higher level decision on the initial protest than would occur with a protest to the contracting officer; this process is not an appellate review of a contracting officer's decision on a protest previously filed with the contracting officer). Absent a clear indication of the intent to file an agency level protest, protests will be presumed to be protests to the contracting officer.

**52.233-9001 DISPUTES: AGREEMENT TO USE ALTERNATIVE DISPUTE RESOLUTION (JUN 2001) DLAD**

(a) The parties agree to negotiate with each other to try to resolve any disputes that may arise. If unassisted negotiations are unsuccessful, the parties will use alternative dispute resolution (ADR) techniques to try to resolve the dispute. Litigation will only be considered as a last resort when ADR is unsuccessful or has been documented by the party rejecting ADR to be inappropriate for resolving the dispute.

(b) Before either party determines ADR inappropriate, that party must discuss the use of ADR with the other party. The documentation rejecting ADR must be signed by an official authorized to bind the contractor (see FAR 52.233-1), or, for the Agency, by the contracting officer, and approved at a level above the contracting officer after consultation with the ADR Specialist and with legal counsel (see DLA Directive 5145.1). Contractor personnel are also encouraged to include the ADR Specialist in their discussions with the contracting officer before determining ADR to be inappropriate.

(c) If you wish to opt out of this clause, check here [  ]. Alternate wording may be negotiated with the contracting officer.

**(MAR 1994) DSCP**

(a) Electronic Data Interchange (EDI) is most commonly defined as the electronic exchange of data contained in normal business transactions, between trading partners, using a public standard format.

(b) The Defense Supply Center Philadelphia (DSCP) has implemented a system for EDI, using the Accredited Standards Committee (ASC) X12 and/or Uniform Communication Standard (UCS) Standards, as applicable, that will electronically transmit contracts and/or orders for the item(s) covered by this solicitation in addition to receiving invoices and transmitting payments electronically. Our goal is to utilize EDI to the maximum extent possible.

(c) EDI capability is not a requirement for award under this solicitation. Those offerors who can begin to use EDI should do so at this time. For those offerors who cannot, the mailing of hard copy documents will continue. This is being permitted since this is a transition period between the current methods and the full implementation of EDI technology and procedures. However, even though the current hard copy procedures will be permitted, it is the intent of the government that eventually all transactions will be via EDI.

(d) When the offeror intends to use EDI in the transmission and/or receipt of business documents--

(1) The offeror shall enter into an EDI Trading Partner Agreement (TPA) with DSCP (see paragraph (e) below). The EDI TPA defines the responsibilities of the trading partners exchanging electronic transactions.

(2) The offeror shall be responsible for providing its own computer hardware and computer software necessary to transmit and receive data electronically under the framework of the EDI TPA.

(3) All terms and conditions which would otherwise be applicable to a paper document shall apply to the electronic document.

(e) An electronic data interchange (EDI) trading partner agreement (TPA) will be provided to the offeror by the contracting officer upon request.

**52.209-9P06 RESPONSIBILITY OF OFFEROR (JAN 1992) DSCP**

In considering the responsibility of an offeror, the government reserves the right to determine the responsibility of the offeror's proposed subcontractor(s) or supplier(s). The same factors shall be used to determine the responsibility of the offeror and its subcontractor(s) or supplier(s). The determination of responsibility of a proposed subcontractor or supplier shall not be construed to relieve the contractor of the sole responsibility of assuring that performance of all work under the contract is in strict accordance with its terms and conditions.

**52.209-9P07 PRE-AWARD PLANT SURVEY (JAN 1992) DSCP**

To determine the responsibility of prospective contractors, the government reserves the right to conduct physical surveys of the plants which are to be used in the performance of a contract. In the event the government is prevented from making such survey by the offeror or its proposed subcontractor, the offer may be rejected. In these cases, the applicable agency, commissary, or activity may reprocur the supplies locally. **52.246-9P29 ADMINISTRATIVE COST TO THE GOVERNMENT IN PROCESSING  
CONTRACT MODIFICATIONS (JAN 1992) DSCP**

**52.246-9P31 SANITARY CONDITIONS (JAN 1998) DSCP**

**(a) Food Establishments.**

(1) establishments furnishing food items under DSCP contracts are subject to approval by the Military Medical Service or another agency acceptable to the Military Medical Service. The government does not intend to make any award for, no accept, any subsistence products manufactured or processed in a plant which is operating under such unsanitary conditions as may lead to product contamination or constitute a health hazard, or which has not been listed in an appropriate government directory as a sanitarily approved establishment when required. Accordingly, the supplier agrees that, except as indicated in paragraphs (2) and (3) below, products furnished as a result of this contract will originate only in establishments listed in the “Directory of Sanitarily Approved Food Establishments for Armed Forces Procurement”, published by the U.S. Army Veterinary Command. Suppliers also agree to inform the contracting officer immediately upon notification that a manufacturing plant is no longer sanitarily approved and/or delisted from another agency’s listing, as indicated in paragraph (2) below. The contracting officer will also be notified when sanitary approval is regained and listing is reinstated.

(2) Establishments furnishing the products listed below and appearing in the publications indicated need not be listed in the “Directory of Sanitarily Approved Food Establishments”.

(i) Meat and meat products and poultry and poultry products from establishments which are currently listed in the “Meat and Poultry Inspection Directory”, published by the Meat and Poultry Inspection Program AMS, USDA. The item, to be acceptable, shall, on delivery, bear on the product, its wrappers or shipping container, as applicable, the official inspection legend or label of the agency.

(v) Milk and milk products from plants having a pasteurization plant compliance rating of 90 or more, as certified by a state milk sanitation rating officer and listed in “Sanitation Compliance and Enforcement Ratings of Interstate Milk Shippers”, published by the U.S. Public Health Service. These may serve as sources of pasteurized milk and milk products as defined in paragraph N, Section I, Part II of the “Grade ‘A’ Pasteurized Milk Ordinance, 1978 Recommendations of the U.S. Public Health Service”, Public Health Service Publication No. 229.

**ADDENDUM (Continued)**

(i) Fruits, vegetables and juices thereof.

(ii) Special dietary foods and food specialty preparations (except animal products, unless such animal products are produced in establishments covered by paragraphs (2)(i), (2)(iii), or (2)(iv) above).

(5) When the Military Medical Service or other inspection agency acceptable to the Military Medical Service determines that the sanitary conditions of the establishment or its products have or may lead to product contamination, the contracting officer will suspend the work until such conditions are remedied to the satisfaction of the appropriate inspection agency. Suspension of the work shall not extend the life of the contract, nor shall it be considered sufficient cause for the contractor to request an extension of any delivery date. In the event the contractor fails to correct such objectionable conditions within the time specified by the contracting officer, the government shall have the right to terminate the contract in accordance with the "Default" clause of the contract.

**(b) Delivery Conveyances.**

The supplies delivered under this contract shall be transported in delivery conveyances maintained to prevent contamination of the supplies, and if applicable, equipped to maintain any prescribed temperature. (Semiperishable supplies shall be delivered in a non-refrigerated conveyance.) The delivery conveyances shall be subject to inspection by the government at all reasonable times and places. When the sanitary conditions of the delivery conveyance have led, or may lead to product contamination, or they constitute a health hazard, or the delivery conveyance is not equipped to maintain prescribed temperatures, supplies tendered for acceptance may be rejected without further inspection.

**52.246-9P32 FEDERAL FOOD, DRUG AND COSMETIC ACT-WHOLESOME MEAT ACT (JAN 1992) DSCP**

(a) The contractor warrants that the supplies delivered under this contract comply with the Federal Food, Drug and Cosmetic Act and the Wholesome Meat Act, and regulations thereunder. This warranty will apply regardless of whether or not the supplies have been:

(1) Shipped in interstate commerce,

(2) Seized under either act or inspected by the Food and Drug Administration or Department of Agriculture.

(3) Inspected, accepted, paid for or consumed, or any or all of these, provided however, that the supplies are not required to comply with requirements of said acts and regulations thereunder when a specific paragraph of the applicable specification directs otherwise and the supplies are being contracted for military rations, not for resale.

**ADDENDUM (Continued)**

(b) The government shall have six months from the date of delivery of the supplies to the government within which to discover a breach of this warranty. Notwithstanding the time at which such breach is discovered, the right is reserved to give notice of breach of this warranty at any time within such applicable period or within 30 days after expiration of such period, and any such notice shall preserve the rights and remedies provided herein.

(c) Within a reasonable time after notice to the contractor of breach of this warranty, the government may, at its election:

(1) Retain all or part of the supplies and recover from the contractor, or deduct from the contract price, a sum determined to be equitable under the circumstances;

(2) Return or offer to return all or part of the supplies to the contractor in place and recover the contract price and transportation, handling, inspection and storage costs expended therefor; provided, that if the supplies are seized under either act, such seizure, at government option, shall be deemed a return of supplies within the meaning of this clause and thereby allow the government to pursue the remedy provided herein. Failure to agree to any deduction or recovery provided herein shall be a dispute of a question of fact within the meaning of the clause of this contract entitled "disputes".

(d) The rights and remedies provided by this clause shall not be exclusive and are in addition to other rights and remedies provided by law or under this contract, nor shall pursuit of a remedy herein or by law either jointly, severally or alternatively, whether simultaneously or at different times, constitute an election of remedies.

**52.247-9P24 F.O.B. DESTINATION (JAN 1992) DSCP**

Unless otherwise indicated in the individually numbered solicitation, only F.O.B. destination offers will be considered. Offers other than F.O.B. destination will be rejected.

**52.247-9P26 EVALUATION OF OFFERS (JAN 1992) DSCP**

(a) Offers for less than the total estimated quantity of any single line item will not be considered.

(b) Any offer that is conditioned or qualified by stipulation that the offer is to be considered only if prior to the date of award, the offeror receives (or does not receive) an award under another procurement, will be rejected.

(c) Offerors are encouraged to offer on each and every item. When the offeror is not itself a producer of an item(s) arrangements may be made to obtain such item(s) from other approved sources.

(d) Unless otherwise specified in the solicitation, single line items may be awarded in the best interest of the Government unless offers are specifically qualified. However, in addition to these factors, low offers on the individual items from offerors who fail to offer on all items may be foregone by the Government if acceptance (1) would prevent the Government from obtaining the majority of its needs for the majority of items under the solicitation and (2) would force the Government into a second procurement for items left unawarded.
