

# CAUTION NOTICE

1) The business practices of today reflect increased utilization of Electronic Commerce/Electronic Data Interchange providing more timely and cost effective ways of information exchange. The Defense Supply Center Philadelphia, Subsistence is migrating toward more and more use of the electronic mediums available to conduct business with you as our business partners.

DSCP has already implemented an ordering system known as STORES (Subsistence Total Ordering and Receipt Electronic System) from which the DSCP customers have the capability to order items electronically under this solicitation. For vendors who are not EDI capable, these orders are converted into facsimile format and will be sent in this fashion to your company from these customers. It is required that you provide the fax number for where these orders should be received, as these orders are being sent automatically from the computer. Space is provided at the end of each group for this number.

With the current implementation of the Defense Logistics Agency's (DLA) Business Systems Modernization (BSM) initiative, manual paperwork will also no longer be a viable way to invoice. Vendors will be required to submit their invoices electronically, and which should assist in faster and more accurate payments.

Efforts have been underway for some time to bring a resolution for those who are not EDI capable to be able to accomplish Electronic Data Interchange with the invoices. Several alternatives are available and are listed on page 24.

A. Customers will place their orders to accommodate a “skip day” delivery (e.g. an order placed on 1 March would have a required delivery date of 3 March). Orders may be placed with a longer lead-time; however, the minimum lead-time is “skip day”. OFFEROR MUST INDICATE EXCEPTION TO THIS REQUEST

B. The vendor shall advise the customer by 12 noon on the skip day of the non-availability of an item. If it appears that the vendor does not expect a stock replenishment in sufficient time to fulfill the requirement, the vendor should offer the customer a substitute, or advise them of the not-in-stock position of the item. The customer will make the final decision on the acceptability for any substitutions.

C. STORES requires that pricing be fixed at the time the **order is placed**, provided that delivery is requested within the time frame of six days starting the day after the order is placed. If delivery is not requested until after this time frame, pricing will be as of the delivery date. (For example, an order placed on Thursday, March 4 for delivery up to March 10 would be at the March 4 prices. From March 11 on it would be at the delivery prices.)

D. A substitute item must be of equal or higher technical quality and equal or lower in price.

E. Orders will be placed via EDI (STORES). Please provide contact information for order receipt/delivery location:

**ALL INVOICES WILL BE SUBMITTED, AND PAYMENTS WILL BE MADE, ELECTRONICALLY**

Each delivery should be accompanied by the contractor's delivery ticket/invoice. Two copies (an original plus one) should accompany the shipment. The customer shall sign all copies of the invoice/delivery ticket, keep one (1) copy and return the ORIGINAL copy to the vendor. **Any changes must be made on the face of the invoice; attachments are not acceptable.**

Each STORES order will contain the following information:

1. **CONTRACT NUMBER** - i.e. SPM300-04-D-W###. This number will remain constant through the life of the contract. **Note:** The contract number will be different from the solicitation number. Do **not** use the solicitation number.
2. **CALL NUMBER** - i.e. 274B. This is the Julian date of the purchase order and a customer ID letter. This number will change every day, although the letter will remain consistent.
3. **LEAD CLIN NO.** - i.e. 008. This is the line item number on the purchase order.
4. **PURCHASE ORDER NUMBER** - i.e. M1115092743186. This number will change with every order.
5. **REQUIRED DELIVERY DATE (RDD)** - i.e. 10/4/04. This date should change with every order.

Each contractor is responsible for extracting the correct information from the STORES order for identification purposes and/or use on each invoice.

As paper invoices are no longer a viable option, invoices are required to be submitted in an electronic format. Invoices should therefore be adjusted accordingly prior to submittal for shortages, returns, etc in lieu of credits.

There are four different methods available to accomplish this as follows: (NOTE: If your company is not specifically EDI capable, please read ALL options as some create the invoice on the Internet)

- 1) Information can be exchanged electronically through ANSI X12 format. This requires the company to receive orders and send invoices electronically.
- 2) There are companies available for a fee who will turn flat files into EDI Invoices (810 transactions)
- 3) The DFAS implemented Web Invoicing System (WInS). WInS application is a web-based technology that will create an EDI transaction for the DFAS payment system. For more information and sample screens go to <http://ecweb.dfas.mil/notes.html>. This requires creating an invoice on the web and the invoice would be generated electronically to DFAS.
- 4) The Market Ready EDI Invoicing is another web application to submit your invoices electronically. This system is found on the DSCP web page for subsistence, <http://www.dscp.dla.mil/subs/>. The vendor will be issued a Userid and Password, after properly registering for this site. This application will allow the vendor to see the actual electronic receipts by the customers, for that particular contract(s) only. The vendor can review the receipt, and if in agreement will be able to submit the invoice. The user will have the ability to add lines or change existing lines to reflect what was delivered. The changes will be e-mailed directly to the account manager, who will work at resolving the differences. Vendors will be able to wait until the receipt is adjusted or submit their invoices before the changes are made. The system will be updated daily from the receipt files. Invoices submitted using this website will generate an EDI invoice to be sent to the paying process at DLA.

**52.212-1 INSTRUCTIONS TO OFFERORS--COMMERCIAL ITEMS (JAN 2004)****(a) North American Industry Classification System (NAICS) Code and Small Business Size Standard.**

The NAICS code and small business size standard for this acquisition appear in Block 10 of the solicitation cover sheet (SF 1449). However, the small business size standard for a concern which submits an offer in its own name, but which proposes to furnish an item which it did not itself manufacture, is 500 employees.

**(b) Submission of Offers.**

Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show--

- (1) The solicitation number;
- (2) The time specified in the solicitation for receipt of offers;
- (3) The name, address, and telephone number of the offeror;
- (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;
- (5) Terms of any express warranty;
- (6) Price and any discount terms;
- (7) "Remit to" address, if different than mailing address;
- (8) A completed copy of the representations and certifications at FAR 52.212-3;
- (9) Acknowledgment of Solicitation Amendments;
- (10) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including contract numbers, points of contact with telephone numbers and other relevant information); and
- (11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

**(c) Period for Acceptance of Offers.**

The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

**(d) Product Samples.**

When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

**(e) Multiple Offers.**

Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

**(f) Late Submissions, Modifications, Revisions, and Withdrawals of Offers.**

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

**52.212-1 (continued)**

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

**(g) Contract Award** (not applicable to Invitation for Bids).

The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

**(h) Multiple Awards**.

The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

**(i) Availability of Requirements Documents Cited in the Solicitation**.

The offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation "DUNS" or "DUNS+4" followed by the DUNS or DUNS+4 number that identifies the offeror's name and address. The DUNS+4 is the DUNS number plus a 4-character suffix that may be assigned at the discretion of the offeror to establish additional CCR records for identifying alternative Electronic Funds Transfer (EFT) accounts (see FAR Subpart 32.11) for the same parent concern. If the offeror does not have a DUNS number, it should contact Dun and Bradstreet directly to obtain one. An offeror within the United States may contact Dun and Bradstreet by calling 1-866-705-5711 or via the internet at <http://www.dnb.com>. An offeror located outside the United States must contact the local Dun and Bradstreet office for a DUNS number.

**(k) Central Contractor Registration.**

Unless exempted by an addendum to this solicitation, by submission of an offer, the offeror acknowledges the requirement that a prospective awardee shall be registered in the CCR database prior to award, during performance and through final payment of any contract resulting from this solicitation. If the Offeror does not become registered in the CCR database in the time prescribed by the Contracting Officer, the Contracting Officer will proceed to award to the next otherwise successful registered Offeror. Offerors may obtain information on registration and annual confirmation requirements via the internet at <http://www.ccr.gov> or by calling 1-888-227-2423 or 269-961-5757.

- (6) Reasonable responses to relevant questions posed by the debriefed offeror as to whether source-selection procedures set forth in the solicitation, applicable regulations, and other applicable authorities were followed by the agency.

The following **ADDITIONAL PROVISIONS** are set forth in **FULL TEXT**:

**52.233-9000 AGENCY PROTESTS (SEP 1999) DLAD**

Companies protesting this procurement may file a protest 1) with the contracting officer, or 2) with the General Accounting Office, or 3) pursuant to Executive Order 12979, with the Agency for a decision by the Activity's Chief of the Contracting Office. Protests filed with the agency should clearly state that they are an "Agency Level Protest under Executive Order 12979." (Note: DLA procedures for Agency Level Protests filed under Executive Order No. 12979 allow for a higher level decision on the initial protest than would occur with a protest to the contracting officer; this process is not an appellate review of a contracting officer's decision on a protest previously filed with the contracting officer). Absent a clear indication of the intent to file an agency level protest, protests will be presumed to be protests to the contracting officer.

**52.233-9001 DISPUTES: AGREEMENT TO USE ALTERNATIVE DISPUTE RESOLUTION (JUN 2001) DLAD**

(a) The parties agree to negotiate with each other to try to resolve any disputes that may arise. If unassisted negotiations are unsuccessful, the parties will use alternative dispute resolution (ADR) techniques to try to resolve the dispute. Litigation will only be considered as a last resort when ADR is unsuccessful or has been documented by the party rejecting ADR to be inappropriate for resolving the dispute.

(b) Before either party determines ADR inappropriate, that party must discuss the use of ADR with the other party. The documentation rejecting ADR must be signed by an official authorized to bind the contractor (see FAR 52.233-1), or, for the Agency, by the contracting officer, and approved at a level above the contracting officer after consultation with the ADR Specialist and with legal counsel (see DLA Directive 5145.1). Contractor personnel are also encouraged to include the ADR Specialist in their discussions with the contracting officer before determining ADR to be inappropriate.

(c) If you wish to opt out of this clause, check here [ ]. Alternate wording may be negotiated with the contracting officer.

(MAR 1994) DSCP**

(a) Electronic Data Interchange (EDI) is most commonly defined as the electronic exchange of data contained in normal business transactions, between trading partners, using a public standard format.

(c) EDI capability is not a requirement for award under this solicitation. Those offerors who can begin to use EDI should do so at this time. For those offerors who cannot, the mailing of hard copy documents will continue. This is being permitted since this is a transition period between the current methods and the full implementation of EDI technology and procedures. However, even though the current hard copy procedures will be permitted, it is the intent of the government that eventually all transactions will be via EDI.

(d) When the offeror intends to use EDI in the transmission and/or receipt of business documents--

(1) The offeror shall enter into an EDI Trading Partner Agreement (TPA) with DSCP (see paragraph (e) below). The EDI TPA defines the responsibilities of the trading partners exchanging electronic transactions.

Accordingly, the supplier agrees that, except as indicated in paragraphs (2) and (3) below, products furnished as a result of this contract will originate only in establishments listed in the “Directory of Sanitarily Approved Food Establishments for Armed Forces Procurement”, published by the U.S. Army Veterinary Command. Suppliers also agree to inform the contracting officer immediately upon notification that a manufacturing plant is no longer sanitarily approved and/or delisted from another agency’s listing, as indicated in paragraph (2) below. The contracting officer will also be notified when sanitary approval is regained and listing is reinstated.

(2) Establishments furnishing the products listed below and appearing in the publications indicated need not be listed in the “Directory of Sanitarily Approved Food Establishments”.

**ADDENDUM (Continued)**

(iv) Fish and fishery products from establishments listed in the “Approved List--Sanitary Inspected Fish Establishments”, published by the U.S. Department of Commerce, National Oceanic and Atmospheric Administration, National Marine Fisheries Service.

(v) Milk and milk products from plants having a pasteurization plant compliance rating of 90 or more, as certified by a state milk sanitation rating officer and listed in “Sanitation Compliance and Enforcement Ratings of Interstate Milk Shippers”, published by the U.S. Public Health Service. These may serve as sources of pasteurized milk and milk products as defined in paragraph N, Section I, Part II of the “Grade ‘A’ Pasteurized Milk Ordinance, 1978 Recommendations of the U.S. Public Health Service”, Public Health Service Publication No. 229.

(vi) “Dairy Plants Surveyed and Approved for USDA Grading Service”, published by Dairy Division, Grading Branch, AMS, USDA.

(vii) Oysters, clams and mussels from plants listed in the “Interstate Certified Shellfish Shippers Lists”, published by the U.S. Public Health Service.

(4) Subsistence items other than those exempt from listing in the U.S. Army Veterinary Command “Directory of Sanitarily Approved Food Establishments for Armed Forces Procurement”, bearing labels reading “Distributed By”, etc., are not acceptable unless the source of manufacturing/processing is indicated on the label or on accompanying shipment documentation.

(5) When the Military Medical Service or other inspection agency acceptable to the Military Medical Service determines that the sanitary conditions of the establishment or its products have or may lead to product contamination, the contracting officer will suspend the work until such conditions are remedied to the satisfaction of the appropriate inspection agency. Suspension of the work shall not extend the life of the contract, nor shall it be considered sufficient cause for the contractor to request an extension of any delivery date. In the event the contractor fails to correct such objectionable conditions within the time specified by the contracting officer, the government shall have the right to terminate the contract in accordance with the “Default” clause of the contract.

(b) Delivery Conveyances.

The supplies delivered under this contract shall be transported in delivery conveyances maintained to prevent contamination of the supplies, and if applicable, equipped to maintain any prescribed temperature. (Semiperishable supplies shall be delivered in a non-refrigerated conveyance.) The delivery conveyances shall be subject to inspection by the government at all reasonable times and places. When the sanitary conditions of the delivery conveyance have led, or may lead to product contamination, or they constitute a health hazard, or the delivery conveyance is not equipped to maintain prescribed temperatures, supplies tendered for acceptance may be rejected without further inspection.

**ADDENDUM (Continued)****52.246-9P32 FEDERAL FOOD, DRUG AND COSMETIC ACT-WHOLESOME MEAT ACT (JAN 1992) DSCP**

(a) The contractor warrants that the supplies delivered under this contract comply with the Federal Food, Drug and Cosmetic Act and the Wholesome Meat Act, and regulations thereunder. This warranty will apply regardless of whether or not the supplies have been:

(1) Shipped in interstate commerce,

(2) Seized under either act or inspected by the Food and Drug Administration or Department of Agriculture.

(3) Inspected, accepted, paid for or consumed, or any or all of these, provided however, that the supplies are not required to comply with requirements of said acts and regulations thereunder when a specific paragraph of the applicable specification directs otherwise and the supplies are being contracted for military rations, not for resale.

(b) The government shall have six months from the date of delivery of the supplies to the government within which to discover a breach of this warranty. Notwithstanding the time at which such breach is discovered, the right is reserved to give notice of breach of this warranty at any time within such applicable period or within 30 days after expiration of such period, and any such notice shall preserve the rights and remedies provided herein.

(c) Within a reasonable time after notice to the contractor of breach of this warranty, the government may, at its election:

(1) Retain all or part of the supplies and recover from the contractor, or deduct from the contract price, a sum determined to be equitable under the circumstances;

(2) Return or offer to return all or part of the supplies to the contractor in place and recover the contract price and transportation, handling, inspection and storage costs expended therefor; provided, that if the supplies are seized under either act, such seizure, at government option, shall be deemed a return of supplies within the meaning of this clause and thereby allow the government to pursue the remedy provided herein. Failure to agree to any deduction or recovery provided herein shall be a dispute of a question of fact within the meaning of the clause of this contract entitled "disputes".

(d) The rights and remedies provided by this clause shall not be exclusive and are in addition to other rights and remedies provided by law or under this contract, nor shall pursuit of a remedy herein or by law either jointly, severally or alternatively, whether simultaneously or at different times, constitute an election of remedies.

**52.247-9P24 F.O.B. DESTINATION (JAN 1992) DSCP**

Unless otherwise indicated in the individually numbered solicitation, only F.O.B. destination offers will be considered. Offers other than F.O.B. destination will be rejected.

**52.247-9P26 EVALUATION OF OFFERS (JAN 1992) DSCP**

(a) Offers for less than the total estimated quantity of any single line item will not be considered.

(b) Any offer that is conditioned or qualified by stipulation that the offer is to be considered only if prior to the date of award, the offeror receives (or does not receive) an award under another procurement, will be rejected.

(c) Offerors are encouraged to offer on each and every item. When the offeror is not itself a producer of an item(s) arrangements may be made to obtain such item(s) from other approved sources.

(d) Unless otherwise specified in the solicitation, single line items may be awarded in the best interest of the Government unless offers are specifically qualified. However, in addition to these factors, low offers on the individual items from offerors who fail to offer on all items may be foregone by the Government if acceptance (1) would prevent the Government from obtaining the majority of its needs for the majority of items under the solicitation and (2) would force the Government into a second procurement for items left unawarded.
