SUPPLIES OR SERVICES AND PRICES

I. INTRODUCTION

A. The Defense Supply Center Philadelphia (DSCP) intends to support the needs of its customers by entering into one (1) or more Indefinite Quantity Contracts (IQC'S) to supply Milk and Dairy products to the customers stated in paragraph "B. " below." The resulting contract(s) will be Indefinite Quantity Contracts (IQC'S) that provide for an indefinite quantity, within stated limits, of specific supplies and services to be furnished during a fixed period, with deliveries to be scheduled by placing orders with the contractor (FAR 16.504(a)). These proposed contract(s) will be long-term two-year contract(s).

1. Effective period of the contract

TERM

Ordering - June 8, 2003 through June 18, 2005

Delivery - June 11, 2003 through June 21, 2005

2. Long Term Contracting: This acquisition is for two (2) years, **acceptance of the entire term is mandatory**. No option will be exercised, however, all term years except the first year are subject to cancellation. Further, pricing for the proposed long term contract will be for two years, in other words if the cost of an item is \$.20, it will remain \$.20 for the length of the contract, with the exception of the Economic Price Adjustment (EPA) factor (FAR clause 52.216-9P15) for applicable Dairy Products. All fluid milk items (whole, reduced fat, low fat, skim, buttermilk, and eggnog) are governed by the Economic Price Adjustment Clause. In addition, because the EPA clause allows for the prices of Fluid Milk items to change from month to month, the price of these items at the end of the contract could be different (minus or plus) than the initial award price.

3. This acquisition requires Destination Military Inspection for count, condition and identity.

4. Unit prices shall be limited to a maximum of two decimal places. See FAR clause 52.214-9P06, Rounding Off of Offer and Award Prices (January 1992), of subject Solicitation. Non compliance may cause your offer to be rejected.

B. This solicitation contains the estimated Dairy requirements for the following customers:

- NAS Jacksonville, FL
- Naval Hospital, Jacksonville
- NAS FISC Galley, Mayport, FL
- Ships at Mayport, FL
- Camp Blanding, Starke, FL
- Kings Bay (Trident Refit), Kings Bay, GA
- Kings Bay (Pirates Cove), Kings, Bay, GA

C. The estimated dollar value is \$400,000.00 for the *total* contract term. The estimated dollar value for each year is \$200,000.00.

D. This acquisition for Milk and Dairy products is solicited on an “All or None” basis per group. Each group will be evaluated separately. The award will be made based on the lowest evaluated price of proposals meeting or exceeding technically acceptable standards:

- 1. The ability to provide the product in accordance with item description.**
- 2. The ability to deliver product in accordance with delivery schedule.**

II. GUARANTEED MINIMUM/MAXIMUM

A. The guaranteed minimum for all Groups is 25% of the estimated dollar value.

B. The maximum ceiling on the resultant contract(s) is 125% of the estimated dollar value per year. In the event of emergencies and/or mobilization, the Government reserves the right to unilaterally execute a higher alternate ceiling. This higher alternate ceiling is 150% of the estimated dollar value per year. As illustrated above, these percentages are calculated on a “per contract” basis.

C. To the extent that the customers supported under the contracts do not meet the estimated dollar purchases, the contracting officer reserves the right to add more than 25% to additional business. The additional business shall be equivalent to the percentage of unused business. For example, if 20% of the customers' estimate remains unobligated, then an additional 45% may be added to customers on the same contract. This is not transferable from one contract to another.

III. PRICING

A. Prices shall be FOB Destination only. See Clause 52.247-9P24 “F.O.B. Destination”.

B. Offerors are required to submit a copy of their current Wholesale Price List, Catalog Price Schedule or other documents containing commercial pricing information.

C. Offerors are required to cross-reference the prices on the Wholesale Price List, Catalog Price Schedule or other pricing documents to the item number on the solicitation. There are several ways of accomplishing this, including writing the item number, as specified in the solicitation, next to the price and item description on the price list. Please do not submit a separate list of information especially prepared for this solicitation; the pricing catalog, complete with cross-references, is requested.

D. In order to accommodate the Government's ordering system, the Subsistence Total Order and Receipt Electronic System (STORES), unit prices are limited to a maximum of two (2) places after the decimal point. Reference Clause 52.214-9P06 “Rounding Off of Offer and Award Prices.” In addition, the system requires that prices be fixed for a certain period of time. Prices for the resultant contract(s) will be firm for the entire term of the contract except for items applicable to the Economic Price Adjustment clause.

IV. NEW ITEMS

A. If a customer desires to order an item that is not listed on the resultant contract(s), a written request to the DSCP Market Ready Contract Specialist, Diann Owens, shall be submitted to have the item added. The DSCP Contract Specialist will contact the vendor and arrange to have the item added to the STORES catalog in coordination with the Contracting Officer. **The Government also reserves the right to remove any items from the Schedule of Items from any Group, should an (all) offeror(s) not bid on all the items in any Group.**

B. Prior to its inclusion in the STORES catalog, the pricing for each additional item must be negotiated and the contracting officer must determine that the price for the respective item is fair and reasonable.

C. A written modification will not be issued when an item is added to the catalog.

D. Additional items may not increase the original dollar value of the contract by more than 25%.

E. IMPORTANT NOTE: Items not included in the STORES catalog cannot be ordered from the contractor.

V. ADDITIONAL CUSTOMERS

A. Additional DoD and non-DoD customers located in the same distribution area as the successful contractor may be added to the contract based on a mutually agreed upon implementation plan.

B. The potential customers cannot increase the amount of the contract by more than 25% in total. It should be noted that the 25% new business will also be allowable at the maximum ceiling and the alternate higher ceiling.

C. To the extent that the customers supported under the contracts do not meet the estimated dollar purchases, the contracting officer reserves the right to add more than 25% of additional business. The additional business shall be equivalent to the percentage of unused business. For example, if 20% of the customers' estimate remains unobligated, then an additional 45% may be added to customers on the same contract. This is not transferable from one contract to another.

D. Additional customers are limited to those that receive federal funding.

VI. CUSTOMER SERVICE POLICY

The contractor(s) shall treat each of the customers covered under the contract(s) as one of its best customers. Therefore, any treatment and/or customer service policy given to other essential accounts shall also be given to the customers covered under this contract.

The following pages represent the schedule of requirements for the two-Year Term of the contract. Please submit pricing for the entire two-year Term of the Indefinite Quantity Long Term Contract.

DESCRIPTION/SPECIFICATIONS**I. DEFENSE APPROPRIATIONS ACT**

A. All items supplied under this contract and awarded as a result of this solicitation must comply with the Berry Amendment (10 U.S.C. Section 2241, Note 1) and the provisions of Clause 252.225-7012. These references require that all items supplied under the contract be grown and produced in the United States.

B. Vendors are reminded that the annual Defense Appropriations Act requires that all food product be supplied to the military, which are paid for by appropriated funds, must be 100% grown and produced in the United States or its possessions. This would not apply for commissary resale items or for the acquisition of those specific items listed as follows:

<i>Bananas</i>	<i>Beef extract</i>	<i>Beef, corned, canned</i>
<i>Capers</i>	<i>Cashew Nuts</i>	<i>Brazil nuts, unroasted</i>
<i>Castor beans and oil</i>	<i>Chestnuts</i>	<i>Cocoa beans</i>
<i>Chicle</i>	<i>Tea in bulk</i>	<i>Thyme Oil</i>
<i>Coffee, raw or green bean</i>	<i>Olive Oil</i>	<i>Oranges, mandarin, canned</i>
<i>Spices and herbs, in bulk</i>	<i>Sugars, raw</i>	<i>Tapioca, flour and cassava</i>
<i>Vanilla beans</i>		
<i>Olives (green), pitted or unpitted or stuffed, in bulk</i>		
<i>Coconut and coconut meat, unsweetened, in shredded, desiccated, or similarly prepared forms.</i>		

C. For additional information, please consult the DoD FAR Supplement at 225.70 "Appropriations Act Restrictions" and/or contact the Contracting Officer.

II. ORDERING SYSTEM**A. Subsistence Total Order and Receipt Electronic System (STORES)**

1. STORES is the Government's ordering system which is capable of accepting orders from any of the Services', i.e. Army, Air Force, Navy or Marines, individual ordering systems and translating the orders into an EDI (Electronic Data Interchange) format. In addition, this information is transmitted to DSCP for the purposes of contractor payment and customer billing.

2. Customers will be able to order all of their milk and dairy requirements through STORES.

3. Initially, STORES Orders will be transmitted via FAX from the customers listed in this solicitation to the successful awardee(s). While it is not a requirement of this solicitation, vendors are encouraged to have a separate FAX line in order to accommodate orders in a timely, efficient manner.

4. EDI capability is not a requirement for award under this solicitation. However, offerors should consider moving towards a fully functional EDI environment. In order to interface with STORES electronically, the offeror must be able to support the following EDI transaction sets:

832	Catalog (Vendor to DSCP)
850	Purchase Order
997	Functional Acknowledgment
861	Receipt
810	Invoice

5. It is preferred that the successful vendor have access to the Internet and be able to send and receive electronic mail (e-mail).

6. The EDI-capable vendor must be able to conform to the Government's format for Item Descriptions on both the catalog and the invoices. The Government's format begins with a broad category and then continues with a more general description. For example, ½ pint of 2% chocolate milk would be described as "Milk, Choc, Reduced Fat, Chl 2% milk fat, ½ pt co."

B. Order Placement

1. Customers shall place orders via STORES to accommodate a "skip-day" delivery. Orders shall generally be sent no later than 2:00 p.m. two (2) days prior to the desired delivery date in order to ensure maximum availability of product. However, a customer may decide to place an order with a longer leadtime for delivery.

2. The vendor should notify the customer, no later than 24 hours after order placement, of the non-availability of an item. B. All items must be identified with readable dates (open code dates), or coded dates. Contractors that do not use open dating will provide a product code number key listing. The product code number key listing shall explain the actual date of production or processing. Copies of key code listing will be furnished to each destination's receiving officer and each destination's inspection agency with the first delivery.

II. BULK MILK CONTAINERS

The bulk milk/juice dispenser container shall be a single service dispenser container (multi-gallon polyethylene bag) and shall be delivered in a single service shipping container (corrugated cardboard box) or multi-service shipping container (plastic/metal holder/keepercase) which does not require a transferring of the single service dispenser container (polyethylene bag) to a holder/keeper case or dispenser case at point of use.

NOTE: Any qualification requesting monetary deposits on milk cases delivered or any liability to the government for lost or damaged milk cases will render your bid non-responsive/unacceptable. Since any such qualification is in direct violation of clause 52.217-9P04 Responsibility for Containers and Equipment (Jan 1992) DFARS, hereby made part of this solicitation.

NOTE: Any offeror who takes exception to the method(s) shown above may be determined to be non-responsive/not acceptable.

INSPECTION AND ACCEPTANCE

I. INSPECTION AND ACCEPTANCE

A. Inspection and Acceptance of products will be performed at destination. The inspection is normally limited to identity, count and condition; however, this may be expanded if deemed necessary by either the military Veterinary Inspector or Contracting Officer.

B. All deliveries are subject to military veterinary inspection. In addition, the delivery vehicles may be inspected for cleanliness and condition.

C. The authorized inspector at each delivery point is responsible for inspecting and accepting products as they are delivered. The invoice/delivery ticket shall not be signed prior to inspection of the product. All overages, shortages, and/or returns are to be noted on the delivery ticket by the receiving official and the truck driver. A signature on the delivery ticket/invoice denotes acceptance of the product.

II. WARRANTIES

The supplies furnished under the resultant contract(s) shall be covered by the most favorable commercial warranties the contractor gives to any customer for such supplies and the rights and remedies provided therein are in addition to and do not limit any rights afforded to the Government by Clause 52.212-4(o) "Warranty" contained in the solicitation.

III. REJECTION PROCEDURES

A. If product is determined to be either defective, damaged, or compromised in any other manner, it may be rejected by the authorized receiving official.

B. When product is found to be nonconforming or damaged, or otherwise suspect, the veterinary inspector shall notify the authorized food service officer.

C. It is a requirement of this solicitation that product shall be inspected upon receipt as promptly as practicable. However, failure to promptly inspect or accept supplies shall not relieve the contractor from responsibility, nor impose liability on any of the customers, for nonconforming supplies.

D. If an item is rejected at the time of delivery, the delivery ticket/invoice must be annotated to reflect what item(s) and quantities were affected. The line item dollar value, as well as the total invoice dollar value, must be adjusted to reflect the adjusted value of the shipment.

E. If product is rejected after the delivery occurred, the vendor must pick up the rejected product at the time the next regular shipment is made.

IV. DELIVERY VEHICLE REQUIREMENTS

A. Supplies transported in vehicles that are not sanitary, or that have not maintained the proper temperatures, may be rejected at destination without further inspection.

B. Shipping containers shall be in compliance with the National Motor Freight Classification and Uniform Freight Classification Code.

CONTRACT ADMINISTRATION DATA

I. CONTRACTING AUTHORITY

A. The DSCP Contracting Officer is the only person authorized to approve changes to, or modify any requirement of, the contract. Notwithstanding any provisions contained elsewhere in the contract, said authority remains solely with the DSCP Contracting Officer.

B. In the event the vendor effects any change at the direction of any person other than the DSCP Contracting Officer, the change will be considered to have been made without authority and no adjustment will be made to cover any costs associated with such change.

C. Requests for information on matters related to this contract, such as an explanation of terms or contract interpretation, shall be submitted to the DSCP Contracting Officer.

II. INVOICING

A. Each delivery will be accompanied by the contractor's delivery ticket/invoice. Three (3) copies (an original plus two) shall accompany the shipment. The customer shall sign all copies of the invoices/delivery ticket, keep one (1) copy and return the ORIGINAL copy to the vendor. **Any changes must be made on the face of the invoice. Attachments to the invoice are not acceptable.**

B. All invoicing for payment is to be submitted electronically using EDI transaction set 810 (See Attachment), the WINS ordering system (See **paragraph II**), or the Market Ready EDI Invoicing website available July 2003 from the DSCP Subsistence Home Page (<http://www.dscp.dla.mil/subs/submain.htm>)
No paper invoices shall be submitted to DFAS for payment.

C. Each invoice shall contain sufficient data for billing purposes. This includes:

1. **Contract Number;**
2. **Call Number or Delivery Order Number or Contract Order Number;**
3. **Purchase Order Number;**
4. **Contract Line Items listed in numeric sequence (also referred to as CLIN order);**
5. **DODAAC;**
6. **Item Nomenclature;**
7. **LSN or NSN;**
8. **Quantity purchased per item in DSCP's unit of issue;**
9. **Clearly identified and annotated changes on all copies;**
10. **Total dollar value of each invoice (reflecting changes to the shipment, if applicable).**

D. All invoices must be "clean", i.e. all debits and/or credits must be reflected on the invoice prior to its submission.

E. The same invoice cannot be submitted with different dollar amounts. The invoice total must match the receipted delivery amount.

F. It is *strongly preferred* that there be only one (1) invoice per customer per delivery. Vendors are discouraged from running separate invoices for milk and dairy items. However, if this is not possible, then all invoices must be clearly annotated that they are part of a group, e.g. 1 of 3, 2 of 3, etc. In addition, all invoice groups must be sent to DFAS Columbus together, in the same package.

G. Unit prices and extended prices must be formatted to only two (2) places beyond the decimal point. STORES will not accommodate positions of three (3) and above places beyond the decimal point. For example, an extended unit price of \$1.087 must be rounded up to \$1.09.

H. Information on the Web Invoicing System (WINS): The Web Invoicing System (WINS) is an alternative to both the traditional paper invoice submitted to DFAS Columbus and Electronic Data Interchange (EDI) 810 Transaction Set. Once a vendor has registered to submit invoices through WINS, all information pertaining to the invoice is sent via the Internet to DFAS for payment with little or no cost to the vendor. Vendors can enter invoices into templates on a DFAS owned web server that processes and routes the invoices to the appropriate payment system.

To register for WINS, go to the web site <https://ecweb.dfas.mil> and click on "New Account." Include vendor account information and in approximately 1-2 days after registration, a user ID and password will be provided. After receipt of the user ID and password, please ensure you conduct testing on the system to ensure accuracy of the data submitted and system's compatibility. If any problems are experienced in reaching this site, please call 1-800-756-4571 for assistance.

Instructions for accessing and using WINS: WINS User Guide specifically for Subsistence can be downloaded from www.dfas.mil <<http://www.dfas.mil>>. Click on the Electronic Commerce and scroll down to "WINS User Manual Volume 9, DSIMS User Manual."

I. Information on the Market Ready EDI invoicing website: The Market Ready EDI invoicing website will be refilled with data from STORES. To register, go to the web site <http://www.dscp.dla.mil/subs/submain.htm>.

After registration, you will receive a User Name and Password to access data for your contract. You will then be asked to review data on the website and either post new lines or change existing lines on the site to reflect what was delivered. EDI invoices will be generated which will be sent to the paying office for payment.

NOTE: If the WINS Program or the Market Ready EDI Invoicing process is not operable at the time this contract is awarded, the awardee may submit paper invoices to DFAS Columbus until such time that the WINS Program and/or Market Ready EDI Invoice Program becomes operable. Instructions for submitting paper invoices will be included with award document. However, once these systems become functional, the awardee will have no more than sixty (60) days to implement the applicable invoicing system.

III. PAYMENTS

A. DFAS Columbus is the payment office for this acquisition

B. Payment of delivery orders will be made in accordance with the terms and conditions of Paragraph (I) of Clause 52.212-4 "Contract Terms and Conditions – Commercial Items," appearing in the section of this solicitation entitled "Contract Clauses."

C. Payment is currently being made in approximately seven (7) days after the receipt of a proper invoice; however, payment is still subject to the terms and conditions of the Prompt Payment Act (31 U.S.C. 3903).

D. The Government intends to utilize Electronic Funds Transfer (EFT) to make payments under the resultant contract(s). However, the Government reserves the right to use a manual payment system, i.e., check, if the need arises. Refer to clause 52.232-33 "Mandatory Information for Electronic Funds Transfer Payment."

IV. ADMINISTRATION

A. Administration of the contract will be performed by DSCP in Philadelphia.

B. Administration of the individual delivery order will be performed by a designated representative at the ordering activity. This includes approving product substitutions and delivery changes.

C. The DSCP Contracting Officer must approve any changes to the contract.

CLAUSES INCORPORATED BY FULL TEXT

52.212-1 INSTRUCTIONS TO OFFERORS--COMMERCIAL ITEMS (OCT 2000)

(a) North American Industry Classification System (NAICS) code and small business size standard. The NAICS code and small business size standard for this acquisition appear in Block 10 of the solicitation cover sheet (SF 1449). However, the small business size standard for a concern which submits an offer in its own name, but which proposes to furnish an item which it did not itself manufacture, is 500 employees.

(b) Submission of offers. Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show--

- (1) The solicitation number;
 - (2) The time specified in the solicitation for receipt of offers;
 - (3) The name, address, and telephone number of the offeror;
 - (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;
 - (5) Terms of any express warranty;
 - (6) Price and any discount terms;
 - (7) "Remit to" address, if different than mailing address;
 - (8) A completed copy of the representations and certifications at FAR 52.212-3;
 - (9) Acknowledgment of Solicitation Amendments;
 - (10) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including contract numbers, points of contact with telephone numbers and other relevant information); and
 - (11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.
- (c) Period for acceptance of offers. The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.
- (d) Product samples. When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.
- (e) Multiple offers. Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.
- (f) Late submissions, modifications, revisions, and withdrawals of offers:
- (1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.
 - (2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and--

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) Contract award (not applicable to Invitation for Bids). The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) Multiple awards. The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

Protests filed with the agency should clearly state that they are an "Agency Level Protest under Executive Order No. 12979." (Note: DLA procedures for Agency Level Protests filed under Executive Order No. 12979 allow for a higher level decision on the initial protest than would occur with a protest to the contracting officer; this process is not an appellate review of a contracting officer's decision on a protest previously filed with the contracting officer). Absent a clear indication of the intent to file an agency level protest, protests will be presumed to be protests to the contracting officer.

52.204-9P02 INFORMATION RELATING TO ELECTRONIC DATA INTERCHANGE

(a) Electronic Data Interchange (EDI) is most commonly defined as the electronic exchange of data contained in normal business transactions, between Trading Partners, using a public standard format.

(b) The Defense Supply Center Philadelphia (DSCP) has implemented a system for EDI, using the Accredited Standards Committee (ASC) X12 and/or Uniform Communication Standard (UCS) Standards, as applicable, that will electronically transmit contracts and/or orders for the item(s) covered by this solicitation in addition to receiving invoices and transmitting payments electronically. Our goal is to utilize EDI to the maximum extent possible.

(c) EDI CAPABILITY IS NOT A REQUIREMENT FOR AWARD UNDER THIS SOLICITATION. Those offerors who can begin to use EDI should do so at this time.
