SUPPLIES OR SERVICES AND PRICES

I. INTRODUCTION

A. The Defense Supply Center Philadelphia (DSCP) intends to support the needs of its customers by entering into one (1) or more Indefinite Quantity Contracts (IQC's) to supply Milk and Dairy products to customers stated below.

B. This solicitation contains the estimated Milk and Dairy requirements for the following customers:

?? Maxwell and Gunter AFB, AL

?? Fort Rucker, AL

?? Lyster Medical Center, AL

?? Redstone Arsenal, AL

The Government intends to award one or more contracts for a two year period a one year base term and one (1) one-year option period. Acceptance of the option year is **MANDATORY**. **The prices for the option year shall be stated separately.**

C. The customers at Maxwell and Gunter AFB, AL requirements comprise Group 1. Fort Rucker and Lyster Medical Center requirements comprise Group 2. Redstone Arsenal, AL requirements comprise Group 3.

D. The resulting contract(s) will be Indefinite Quantity Contracts (IQC's) that provide for an indefinite quantity, within stated limits, of specific supplies or services to be furnished during a fixed period, with deliveries to be scheduled by placing orders with the contractor (FAR 16.504(a)). This solicitation utilizes the Trade Off Process of evaluation and contains provisions for a one-year option. These contracts will be for a two (2) year period (base year plus a one-year option).

E. The estimated dollar value for the base year for **Group 1** is \$117,346.00, **Group 2** is \$98,640.00, **Group 3** is \$78,906.00. The estimated dollar value for the base year and option year for all groups for this acquisition is \$589,784.00.

F. This acquisition for Milk, Dairy products is solicited on an "All or None" basis per group. Each group will be evaluated separately.

II. GUARANTEED MINIMUM/MAXIMUM

A. The guaranteed minimum for the resultant contract(s) is 25% of the estimated dollar value.

B. The maximum ceiling on the resultant contract(s) is 125% of the estimated dollar value per year. In the event of emergencies and/or mobilization, the Government reserves the right to unilaterally execute a higher alternate ceiling. This higher alternate ceiling is 150% of the estimated dollar value per year. As illustrated above, these percentages are calculated on a "per contract" basis.

III. PRICING

- A. Prices shall be FOB Destination only.
- B. Offerors are required to submit a copy of their current Wholesale Price List, Catalog Price Schedule or other documents containing commercial pricing information.
- C. Offerors are required to cross-reference the prices on the Wholesale Price List, Catalog Price Schedule or other pricing documents to the item number on the solicitation. There are several ways of accomplishing this, including writing the item number, as specified in the solicitation, next to the price and item description on the price list. Please do not submit a separate list of information especially prepared for this solicitation; the pricing catalog, complete with cross-references, is requested.
- D. In order to accommodate the Government's ordering system, the Subsistence Total Order and Receipt Electronic System (STORES), unit prices are limited to a maximum of two (2) places after the decimal point. Reference Clause 52.214-9P06 "Rounding Off of Offer and Award Prices"
- E. If offering on more than one (1) group, unit prices for the same item must be identical in all groups. For example, if milk, ½ pint is priced at \$.20 in Group 1, it must be priced at \$.20 in all groups.

IV. NEW ITEMS

- A. If a customer desires to order an item that is not listed on the resultant contract(s), a written request to the DSCP Market Ready Contract Specialist, Mary Keller, shall be submitted to have the item added. The Contract Specialist will contact the vendor and arrange to have the item added to the STORES catalog.
- B. Prior to its inclusion in the STORES catalog, the pricing for each additional item must be negotiated and the Contracting Officer must determine that the price for the respective item is fair and reasonable.
- C. A written modification will not be issued when an item is added to the catalog.
- D. Additional items may not increase the original dollar value of the contract by more than 25%
- E. IMPORTANT NOTE: Items not included in the STORES catalog cannot be ordered from the contractor.

V. ADDITIONAL CUSTOMERS

A. Additional DoD and non-DoD customers located in the same distribution area as the successful contractor may be added to the contract based on a mutually agreed upon implementation plan.

B. The potential customers cannot increase the amount of the contract by more than 25% in total. It should be noted that the 25% new business will also be allowable at the maximum ceiling and the alternate higher ceiling.

C. To the extent that the customers supported under the contracts do not meet the estimated dollar purchases, the Contracting Officer reserves the right to add more than 25% of additional business. The additional business shall be equivalent to the percentage of unused business. For example, if 20% of the customers' estimate remains unobligated, then an additional 45% may be added to customers on the same contract. This is not transferable from one contract to another.

D. Additional customers are limited to those that receive federal funding.

VI. CUSTOMER SERVICE POLICY

The contractor(s) shall treat each of the customers covered under the contract(s) as one of its best customers. Therefore, any treatment and/or customer service policy given to other essential accounts shall also be given to the customers covered under this contract.

DESCRIPTION/SPECIFICATIONS

I. DEFENSE APPROPRIATIONS ACT

A. All items supplied under this contract and awarded as a result of this solicitation must comply with the Berry Amendment (10 U.S.C. Section 2241, Note 1) and the provisions of Clause 252.225-7012. These references require that all items supplied under the contract be grown and produced in the United States.

B. Vendors are reminded that the annual Defense Appropriations Act requires that all food product be supplied to the military, which are paid for by appropriated funds, must be 100% grown and produced in the United States or its possessions. This would not apply for commissary resale items or for the acquisition of those specific items listed as follows:

Bananas	Beef extract	Beef, corned, canned
<i>Capers</i>	<i>Cashew Nuts</i>	<i>Brazil nuts, unroasted</i>
<i>Castor beans and oil</i>	<i>Chestnuts</i>	<i>Cocoa beans</i>
<i>Chicle</i>	<i>Tea in bulk</i>	<i>Thyme Oil</i>
<i>Coffee, raw or green bean</i>	<i>Olive Oil</i>	<i>Oranges, mandarin, canned</i>
<i>Spices and herbs, in bulk</i>	<i>Sugars, raw</i>	<i>Tapioca, flour and cassava</i>
<i>Vanilla beans</i>		
<i>Olives (green), pitted or unpitted or stuffed, in bulk</i>		
<i>Coconut and coconut meat, unsweetened, in shredded, desiccated, or similarly prepared forms.</i>		

C. For additional information, please consult the DoD FAR Supplement at 225.70 "Appropriations Act Restrictions" and/or contact the Contracting Officer.

II. ORDERING SYSTEM

A. Subsistence Total Order and Receipt Electronic System (STORES)

1. STORES is the Government's ordering system which is capable of accepting orders from any of the Services', i.e. Army, Air Force, Navy or Marines, individual ordering systems and translating the orders into an EDI (Electronic Data Interchange) format. In addition, this information is transmitted to DSCP for the purposes of contractor payment and customer billing.

2. Customers will be able to order all of their milk and dairy requirements through STORES.

3. All STORES Orders will be received via a 850 Transaction Set (Electronic Order). FAX orders will no longer be received. The 850 will contain information sufficient to fulfill the order, including, but not limited to contract number, call number, p.o. number, DODAAC, clin number and required delivery date.

4. EDI capability is a requirement for award under this solicitation. DSCP anticipates that all vendors will be EDI capable by contract start up and will take the necessary steps now to ensure that this goal is met. Offerors must consider moving towards a fully functional EDI environment. In order to interface with STORES electronically, the offeror must be able to support the following EDI transactions sets:

850	Purchase Order
997	Functional Acknowledgment
810	Invoice

5. It is preferred that the successful vendor have access to the Internet and be able to send and receive electronic mail (e-mail).

6. The EDI-capable vendor must be able to conform to the Government's format for Item Descriptions on both the catalog and the invoices. The Government's format begins with a broad category and then continues with a more general description. For example, ½ pint of 2% chocolate milk would be described as "Milk, Choc, Reduced Fat, Chl 2% milk fat, ½ pt co."

B. Order Placement

1. Customers shall place orders via STORES to accommodate a "skip-day" delivery. Orders shall generally be sent no later than 2:00 p.m. two (2) days prior to the desired delivery date in order to ensure maximum availability of product. However, a customer may decide to place an order with a longer leadtime for delivery.

2. The vendor should notify the customer, no later than 24 hours after order placement, of the non-availability of an item. If it appears that the vendor will not be able to fulfill the order in time to meet the required delivery date, the vendor shall either offer the customer a substitute of equal or higher quality and of equal or lower cost, or advise the customer of its Not-in-Stock position.

252.204-7004 REQUIRED CENTRAL CONTRACTOR REGISTRATION (NOV 2001)**DFARS****(a) Definitions.**

As used in this clause--

(1) "Central Contractor Registration (CCR) database" means the primary DoD repository for contractor information required for the conduct of business with DoD.

(2) "Data Universal Numbering System (DUNS) number" means the 9-digit number assigned by Dun and Bradstreet Information Services to identify unique business entities.

(3) "Data Universal Numbering System +4 (DUNS+4) number" means the DUNS number assigned by Dun and Bradstreet plus a 4-digit suffix that may be assigned by a parent (controlling) business concern. This 4-digit suffix may be assigned at the discretion of the parent business concern for such purposes as identifying subunits or affiliates of the parent business concern.

(4) "Registered in the CCR database" means that all mandatory information, including the DUNS number or the DUNS+4 number, if applicable, and the corresponding Commercial and Government Entity (CAGE) code, is in the CCR database; the DUNS number and the CAGE code have been validated; and all edits have been successfully completed.

(b) (1) By submission of an offer, the offeror acknowledges the requirement that a prospective awardee must be registered in the CCR database prior to award, during performance, and through final payment of any contract resulting from this solicitation, except for awards to foreign vendors for work to be performed outside the United States.

(2) The offeror shall provide its DUNS or, if applicable, its DUNS+4 number with its offer, which will be used by the Contracting Officer to verify that the offeror is registered in the CCR database.

(3) Lack of registration in the CCR database will make an offeror ineligible for award.

(4) DoD has established a goal of registering an applicant in the CCR database within 48 hours after receipt of a complete and accurate application via the Internet. However, registration of an applicant submitting an application through a method other than the Internet may take up to 30 days. Therefore, offerors that are not registered should consider applying for registration immediately upon receipt of this solicitation.

(c) The Contractor is responsible for the accuracy and completeness of the data within the CCR, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the CCR database after the initial registration, the Contractor is required to confirm on an annual basis that its information in the CCR database is accurate and complete.

(d) Offerors and contractors may obtain information on registration and annual confirmation requirements by calling 1-888-227-2423, or via the Internet at <http://www.ccr.gov>.

52.212-1 INSTRUCTIONS TO OFFERORS--COMMERCIAL ITEMS (OCT 2000)**(a) North American Industry Classification System (NAICS) Code and Small Business Size Standard.**

The NAICS code and small business size standard for this acquisition appear in Block 10 of the solicitation cover sheet (SF 1449). However, the small business size standard for a concern which submits an offer in its own name, but which proposes to furnish an item which it did not itself manufacture, is 500 employees.

(b) Submission of Offers.

Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show--

- (1) The solicitation number;
- (2) The time specified in the solicitation for receipt of offers;
- (3) The name, address, and telephone number of the offeror;
- (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;

- (8) A completed copy of the representations and certifications at FAR 52.212-3;
- (9) Acknowledgment of Solicitation Amendments;
- (10) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including contract numbers, points of contact with telephone numbers and other relevant information); and
- (11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) Period for Acceptance of Offers.

The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) Product Samples.

Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) Multiple Offers.

Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

52.212-1 (continued)**(f) Late Submissions, Modifications, Revisions, and Withdrawals of Offers.**

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is “late” and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government’s control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

52.212-1 (continued)**(g) Contract Award** (not applicable to Invitation for Bids).

The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) Multiple Awards.

The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. See Standard Form 1449 (Continuation Sheet), on page 3, for any specific instructions on how to submit your offer if mailed, handcarried or faxed (when authorized).

- Faxed offers are NOT authorized for this solicitation.
 Faxed offers are authorized for this solicitation.

Facsimile offers that fail to furnish required representations, or information, or that reject any of the terms, conditions and provisions of the solicitations, may be excluded from consideration. Facsimile offers must contain the required signatures. The Government reserves the right to make award solely on the facsimile offer. However, if requested to do so by the Contracting Officer, the apparently successful offeror agrees to promptly submit the complete original signed proposal. The Government will not be responsible for any failure attributable to the transmission or receipt of the facsimile offer.

2. Paragraph (c), Period for Acceptance of Offers.

- Period of acceptance is 90 days.

3. Paragraph (e), Multiple Offers.

- Alternative commercial items may not be considered for award on this instant acquisition, however, may be utilized for market research on future requirements.

4. Paragraph (h), Multiple Awards.

- The Government intends to make one award. PER GROUP
 Offers may be submitted for quantities less than those specified.

52.212-2 EVALUATION--COMMERCIAL ITEMS (JAN 1999)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

1. CORPORATE EXPERIENCE/PAST PERFORMANCE (SEE INSTRUCTIONS ON PAGES 78-79)

CORPORATE EXPERIENCE AND PAST PERFORMANCE ARE EQUALLY WEIGHTED

2. WE WILL EVALUATE THE PROPOSED PRICE OF EACH ACCEPTABLE OFFER FOR REASONABLENESS IN ACCORDANCE WITH FAR SUBPART 15.4

(b). Corporate Experience/past performance are significantly more important than price.

(c) Offerors will receive a level of confidence assessment (LOCAR) based on the results of the Corporate Experience/past Performance evaluations. A source selection decision will be based on an integrated assessment of LOCAR and price.

(d) *Options*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced.

(e) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

OPTION YEAR
SCHEDULE/PRICING *
(MANDATORY)

*Option Year Pricing may be submitted as a fixed dollar/cents amount or may be submitted

As a percentage increase/decrease from the Base Term prices offered. However, if a percentage is used (state +/- here _____), the actual dollar/cents amount must be calculated and filled out on the following pages for the Option Year. The Economic Price Adjustment clause will be utilized for the entire length of this/these contracts(s), (base plus Option) in determining price adjustments for applicable Dairy Products.

Because the Economic Price Adjustment (EPA) clause allows the prices of Fluid Milk items to change from month to month, the prices of these items at the end of the Base Year could be different than the initial proposed award price. The starting price of the Option Year Period will be the current contract price (Twelfth Month EPA calculated) plus or minus the percentage difference between the Base and Option Period that is initially offered.

EXAMPLE: ITEM; MILK, LOWFAT, 15 BULK, 5 GALLON CONTAINER.

	BASE YEAR	OPTION YEAR	PERCENTAGE DIFFERENCE
OFFER;	\$12.00	\$13.20	10%

If the contract price for this item at the end of the Base Year is \$11.50, the start of the Option Period would be \$12.65 which is a ten per cent (10%) increase from the current (twelfth month) unit price.

II. EVALUATION CRITERIA-CORPORATE EXPERIENCE/PAST PERFORMANCE

THE RATING METHOD WILL BE ADJECTIVAL. IE, EXCELLENT, GOOD, FAIR AND POOR.

A. CORPORATE EXPERIENCE

1. An offeror will be evaluated as to its experience with similar commercial and /or governments contracts, in terms of dollar value, delivery frequency, number of delivery points and length of contract.

B. PAST PERFORMANCE

Past performance is a measure of the degree to which you have satisfied your customers in the past, and complied with Federal, state and local laws and regulations.

1. An offeror will be evaluated based on responses to a questionnaire developed for the top five (5) customers cited in the Reference Information Sheet. An overall assessment will be given taking into account each reference's responses to all the specific questions on the questionnaire including their general impressions and recommendations (if any) about doing business with the offeror.

2. The offeror will also be evaluated on the basis of in-house records of previous DSCP contract(s), if any. When assessing past performance we may contact other sources of information including, but not limited to, the following: Federal, State and local government agencies, better business bureaus, published media and electronic data bases. This will include looking at quality problems, meeting delivery time frames, billing, service issues, etc.

III. BUSINESS PROPOSAL

1. AGGREGATE PRICING

The Government will evaluate the offeror's proposed pricing on the items selected from the list of the highest usage items provided by the customers listed in the solicitation, see listing of requirements on pages 9 to 30 of the solicitation. The estimated quantities shall be multiplied by the unit prices to determine the lowest overall cost to the government. These figures will then be totaled to arrive at an estimated aggregated value. Each group will be evaluated separately and will be awarded per Group. Any offeror who offers on all groups the total dollar values for each group will be added together and then compared to determine the lowest overall cost to the government.

52.233-9000 AGENCY PROTESTS (SEP 1999) DLAD

Companies protesting this procurement may file a protest 1) with the contracting officer, 2) with the General Accounting Office, or 3) pursuant to Executive Order 12979, with the Agency for a decision by the Activity's Chief of the Contracting Office. Protests filed with the agency should clearly state that they are an "Agency Level Protest under Executive Order 12979." (Note: DLA procedures for Agency Level Protests filed under Executive Order No. 12979 allow for a higher level decision on the initial protest than would occur with a protest to the contracting officer; this process is not an appellate review of a contracting officer's decision on a protest previously filed with the contracting officer). Absent a clear indication of the intent to file an agency level protest, protests will be presumed to be protests to the contracting officer.

52.233-9001 DISPUTES: AGREEMENT TO USE ALTERNATIVE DISPUTE RESOLUTION (JUN 2001) DLAD

(a) The parties agree to negotiate with each other to try to resolve any disputes that may arise. If unassisted negotiations are unsuccessful, the parties will use alternative dispute resolution (ADR) techniques to try to resolve the dispute. Litigation will only be considered as a last resort when ADR is unsuccessful or has been documented by the party rejecting ADR to be inappropriate for resolving the dispute.

(b) Before either party determines ADR inappropriate, that party must discuss the use of ADR with the other party. The documentation rejecting ADR must be signed by an official authorized to bind the contractor (see FAR 52.233-1), or, for the Agency, by the contracting officer, and approved at a level above the contracting officer after consultation with the ADR Specialist and with legal counsel (see DLA Directive 5145.1). Contractor personnel are also encouraged to include the ADR Specialist in their discussions with the contracting officer before determining ADR to be inappropriate.

(c) If you wish to opt out of this clause, check here []. Alternate wording may be negotiated with the contracting officer.

52.214-22 Evaluation of Bids for Multiple Awards (Mar 1990)

In addition to other factors, bids will be evaluated on the basis of advantages and disadvantages to the Government that might result from making more than one award (multiple awards). It is assumed, for the purpose of evaluating bids, that \$500 would be the administrative cost to the Government for issuing and administering each contract awarded under this solicitation, and individual awards will be for the items or combinations of items that result in the lowest aggregate cost to the Government, including the assumed administrative costs.

**52.216-9P15 ECONOMIC PRICE ADJUSTMENT (EPA) - ESTABLISHED MARKET PRICE
(MAR 2000) DSCP**

(a) To the extent that contingent cost increases are provided for by this clause, the contractor warrants that prices included in the contract do not include any amount to protect against such contingent cost increases.

(b) This EPA clause applies to **Skim Milk and Butterfat Fluid Milk Products classified as Class I Milk only** (i.e., whole milk, **fat-free milk, lowfat milk, light milk, reduced fat milk, milk drinks, eggnog and cultured buttermilk, including any such beverage products that are flavored, cultured, modified with added nonfat milk solids, sterilized, concentrated, or reconstituted.** As used in this paragraph, the term **concentrated milk means milk that contains not less than 25.5 percent, and not more than 50 percent, total milk solids**). Any package sizes other than gallons will be pro-rated based upon the price adjustment per gallon.

(c) **Class I milk, as described in this clause, is subject to the regulations of the United States Department of Agriculture under the Federal Milk Marketing Orders.**

(d) The economic indicator for the purpose of prospective adjustments to contract prices under this clause shall be the **Class I price [(Base Skim Milk Price for Class I times 0.965) plus (Advanced Butterfat Pricing Factor times 3.5)] in the Announcement of Advanced Prices and Pricing Factors released** by the U.S. Department of Agriculture, Agricultural Marketing Service, Dairy Programs. **The Announcement is released on the Friday before the 23rd of the month unless the 23rd of the month falls on a Friday in which case, Friday the 23rd will be the release date.**

(e) Price adjustments **shall** be based on the following:

(1) The "base price" for the purpose of the initial adjustment calculation under this clause shall be the **current month price** of the economic indicator **in effect at**

(i) the closing date for proposals, if no discussions are held, or

(ii) the due date for final proposal revisions, if discussions are held.

The "base price" for each subsequent **monthly** adjustment calculation shall be the adjusting price from the previous month.

(2) The "adjusting price" shall be the **monthly price** of the economic indicator **released** following the **month** used to determine the "base price".

(f) For the purpose of price adjustments pursuant to this clause:

(1) Adjustments will be made in increments of \$0.01 per gallon when and only when the change per gallon in either direction is equal to or greater than +/- \$0.0100.

52.219-9P15 CONTINUED

(2) Adjustments in excess of \$0.0100 per gallon and in excess of \$0.0050 for units other than a gallon (i.e., half gallon, quart, pint and half pint) will be rounded to two decimal places to accommodate systems requirements of the Subsistence Total Order Receipt Electronic System (STORES), as follows:

\$0.0050 to \$0.0099 = \$0.01
 \$0.0100 to \$0.0149 = \$0.01
 \$0.0150 to \$0.0199 = \$0.02
 \$0.0200 to \$0.0249 = \$0.02
 \$0.0250 to \$0.0299 = \$0.03, etc.

(3) One hundred weight (CWT) as used in the price of the economic indicator equates to 11.63 gallons of milk deliverable under this contract.

(g) Promptly following release of the Announcement of Advanced Prices and Pricing Factors applicable to the following month, the contracting officer shall compute the adjustments, if any, to the current contract prices for the purpose of determining any revised prices applicable to orders for the next month in the manner detailed below:

- (1) Compute adjusting price.
- (2) Compute base price.
- (3) Compute change from base price.
- (4) Convert the price change to price per gallon.
- (5) Compute price change for other units other than a gallon.
- (6) Round price adjustment(s) from lines (4) and (5) to nearest \$0.01 increment (see paragraph (f)(2)).
- (7) Compute adjusted contract unit price(s).

The following sample price computation is an illustration for a contract awarded in January. Therefore, the base price is the Class I price for January and the adjusting price is the Class I price for February.

(1) Adjusting Price

Base Skim Milk Price for Class I	\$7.72 CWT X 0.965	\$ 7.4498
Advanced Butterfat Pricing Factor	\$0.9302 LB X 3.5	\$ 3.2557

Item per half gallon (Current Unit Price - \$0.01)	
Item per quart (No adjustment)	
Item per pint (No adjustment)	
Item per half pint (No adjustment)	

(h) Revised prices will become effective on the 1st Sunday of the next month and will remain in effect until the next price change occurs.

(i) Price adjustments pursuant to this clause will not be made by contract modifications. Adjustments will be implemented by the government as follows:

- (1) The adjusted contract unit price(s) for the following month will be input in STORES,
- (2) A facsimile transmission will be sent to contractors who do not have electronic access, and
- (3) The calculations used to derive the adjusted contract unit price(s) for the following month will be posted on the Internet at <http://www.dscp.dla.mil/subs/milk-epa/milk-epa.htm>.

(j) Any pricing actions pursuant to the "changes" clause or other provisions of the contract will be priced as though there were no provision for economic price adjustment.

(k) The aggregate of the increases in any contract unit price under this clause shall not exceed 30% of the original contract unit price. If at any time during the term of the contract, a proposed economic price adjustment will exceed this ceiling, either party may cancel the contract effective 60 days after receipt of written notice of the cancellation. In the event a written notice of cancellation is given, the price of the contract prior to the notice of cancellation will be applied from receipt of the notice until the date of cancellation. There is no percentage limit on downward adjustments under this clause.

(l) In the event, publication of the economic indicator is discontinued or its method of calculation substantially altered so that it no longer reflects market prices, the parties shall mutually agree upon an appropriate substitute for price adjustment(s) under this clause.

(m) Any dispute arising under this clause is subject to the "disputes" clause of the contract.

52.209-9P06 RESPONSIBILITY OF OFFEROR (JAN 1992) DSCP

In considering the responsibility of an offeror, the government reserves the right to determine the responsibility of the offeror's proposed subcontractor(s) or supplier(s). The same factors shall be used to determine the responsibility of the offeror and its subcontractor(s) or supplier(s). The determination of responsibility of a proposed subcontractor or supplier shall not be construed to relieve the contractor of the sole responsibility of assuring that performance of all work under the contract is in strict accordance with its terms and conditions.

52.209-9P07 PRE-AWARD PLANT SURVEY (JAN 1992) DSCP

To determine the responsibility of prospective contractors, the government reserves the right to conduct physical surveys of the plants which are to be used in the performance of a contract. In the event the government is prevented from making such survey by the offeror or its proposed subcontractor, the offer may be rejected. As a part of the pre-award survey, the offeror may be required to obtain from its intended sources of supply, letters confirming availability of components, materials machinery and tooling.

52.211-9P36 FDA COMPLIANCE (JAN 1992) DSCP

If any supplies acquired hereunder are recalled under the provisions of the Federal Food, Drug and Cosmetic Act, and regulations thereunder, the contractor shall, at the Government's option, either reimburse the Government or repair/replace the recalled supplies. Additionally, the contractor shall notify the contracting officer immediately when a firm decides to voluntarily recall or withdraw any product from the marketplace. Upon notification by the contracting officer that supplies acquired hereunder have been recalled, the contractor shall either (a) accept Certificates of Destruction from the Government after the supplies have been properly disposed of, (b) request return of the supplies, or (c) if supplies may be repaired on site without transporting them from their location, furnish all materials necessary to effect repairs. Replacement or reimbursement will be accomplished by the contractor immediately on receipt of Certificates of Destruction or returned supplies. The costs of replacement or repair of supplies, and transportation and handling costs for movement of returned, replaced or repaired supplies within the continental United States shall be paid by the contractor. The provisions of this clause are applicable only when the value of the recalled supplies in the possession of the Government amounts to \$100 or more. The rights and remedies of the Government provided in this clause are in addition to, and do not limit, any rights afforded to the Government by any other clause in the contract.

52.217-9P12 OPTION FOR INDEFINITE-DELIVERY, INDEFINITE-QUANTITY CONTRACT TERM EXTENSION (JUL 1998) DSCP

(a) Acceptance of the option provision(s)/clauses contained herein is mandatory. Failure to indicate acceptance of the option by annotating the offeror's option price in the schedule or elsewhere in the solicitation will be deemed non-acceptance of the option and may result in rejection of the offeror's entire bid/proposal.

(b) Offerors may offer options at unit prices which differ from the unit prices for the base ordering period. These prices may vary with the quantities actually ordered and the dates when ordered.

(c) The contracting officer may extend the term of this contract for one additional one year period by written notice to the contractor within the time specified in the schedule; provided that the contracting officer shall give the contractor a preliminary written notice

of intent to extend at least 60 days before expiration of the contract. The preliminary notice does not commit the government to an extension.

(d) Performance under the option period shall continue at the same performance level specified for the basic contract.

(e) The option to extend the term of the contract shall be exercised not later than three (3) days before the expiration date of the contract.

(f) The option is deemed exercised when mailed or otherwise furnished to the contractor.

(g) If the contracting officer exercises this option, the extended contract shall be considered to include this option clause and the minimum and maximum quantities specified in the award for that option period will apply. The modification exercising the option will also modify DSCP clause 52.217-9P16, Effective Period of Contract--Indefinite-Delivery, Indefinite-Quantity Contract, to cover the base ordering period and the additional option period(s) exercised to date.

(h) The total duration of any options exercised under this clause shall not exceed one year.

(i) The following provisions apply only to negotiated acquisitions:

(1) If an option has been priced under this solicitation and is to be exercised at time of award of the basic contract, the submission of certified cost or pricing data shall be required prior to award where the combined dollar value of the basic contract and option exceeds \$500,000, unless an exemption thereto is appropriate in accordance with FAR 15.403-1.

(2) Prior to the award of any contract which will contain one or more priced options totaling \$500,000 or more, the submission of certified cost or pricing data covering the basic contract and the option(s) shall be required regardless of when the option(s) may be exercised, unless an exemption thereto is appropriate in accordance with FAR 15.403-1.

52.217-9P13 EVALUATION OF OPTIONS -- SOURCE SELECTION FOR AN INDEFINITE-DELIVERY, INDEFINITE-QUANTITY CONTRACT (JAN 1992) DSCP

(a) For award purposes, in addition to an offeror's response to the base ordering period, the government will evaluate its response to all options, both technical and price. To evaluate price, the government will add the total price for all options to the total price for the base ordering period. Further, where a contract line or subline item number in section B specifies a minimum and maximum quantity, the maximum quantity will be used to determine the total price. Evaluation of options will not obligate the government to exercise the options. For this solicitation, the options are as specified in clause 52.217-9P12.

(b) Should offerors propose option prices which vary (for example, with quantities actually ordered and the dates when ordered), these offers will be evaluated using the highest option price offered for each item.

52.216-9P06 ORDER LIMITATIONS (OCT 1995) DPSC

(a) Minimum order. When the Government requires supplies or services covered by this contract in an amount of less than \$25.00, the Government is not obligated to purchase, nor is the contractor obligated to furnish, those supplies or services under the contract.

(b) The delivery order(s) shall specify delivery(ies) no less than 48 hours from the date of issuance of the delivery order. Changes and/or cancellations to delivery order(s) may be made by giving contractor no less than 24 hours notice to be computed from time of receipt by the contractor of the written or oral change(s) or cancellation(s).
