SUPPLIES OR SERVICES AND PRICES

I. INTRODUCTION

A. The Defense Supply Center Philadelphia (DSCP) intends to support the needs of its customers by entering into one (1) or more Indefinite Quantity Contracts (IQC's) to supply Bread and Bakery products to customers stated below.

B. This solicitation contains the estimated Bread and Bakery requirements for the following customers:

- ?? Tyndall AFB, FL
- ?? Tyndall Child Development Center, FL
- ?? NAS Pensacola, FL
- ?? Ships at Pensacola, FL
- ?? Child Development Center, Pensacola, FL
- ?? NTTC Corry Station, FL
- ?? Eglin AFB, FL
- ?? Eglin AFB Hospital, FI
- ?? Eglin Child Development Center, FL

C. The customers at Tyndall AFB comprise **Group 1**. customers at **NAS** Pensacola, FI comprise **Group 2**. customers at Eglin AFB comprise **Group 3**.

D. The resulting contract(s) will be Indefinite Quantity Contracts (IQC's) that provide for an indefinite quantity, within stated limits, of specific supplies or services to be furnished during a fixed period, with deliveries to be scheduled by placing orders with the contractor (FAR 16.504(a)). These contracts will be for a one (1) year term.

E. The estimated dollar value for **Group 1** is \$32,500.00, for **Group 2** is \$50,000.00, for **Group 3** is \$285,500.00 Total estimated dollar value for all groups is \$368,000.00.

F. This acquisition for Bread and Bakery products is solicited on an "All or None" basis per group. Each group will be evaluated separately. The award will be made based on the lowest evaluated price of proposals meeting or exceeding the technically acceptable standards:

1. The ability to provide the product in accordance with the item description.
2. The ability to deliver product in accordance with delivery schedule.

II. GUARANTEED MINIMUM/MAXIMUM

A. The guaranteed minimum for all Groups is 25% of the estimated dollar value.

B. The maximum ceiling on the resultant contract(s) is 125% of the estimated dollar value per year. In the event of emergencies and/or mobilization, the Government reserves the right to unilaterally execute a higher alternate ceiling. This higher alternate ceiling is 150% of the estimated dollar value per year. As illustrated above, these percentages are calculated on a "per contract" basis.

III. PRICING

A. Prices shall be FOB Destination only. See Clause 52.247-9P24 "F.O.B. Destination".

B. Offerors are required to submit a copy of their current Wholesale Price List, Catalog Price Schedule or other documents containing commercial pricing information.

C. Offerors are required to cross-reference the prices on the Wholesale Price List, Catalog Price Schedule or other pricing documents to the item number on the solicitation. There are several ways of accomplishing this, including writing the item number, as specified in the solicitation, next to the price and item description on the price list. Please do not submit a separate list of information especially prepared for this solicitation; the pricing catalog, complete with cross-references, is requested.

D. In order to accommodate the Government's ordering system, the Subsistence Total Order and Receipt Electronic System (STORES), unit prices are limited to a maximum of two (2) places after the decimal point. Reference Clause 52.214-9P06 "Rounding Off of Offer and Award Prices". In addition, the system requires that prices be fixed for a certain period of time. Prices for the resultant contract(s) will be frozen for the base term of the contract and for each subsequent option year.

IV. NEW ITEMS

A. If a customer desires to order an item that is not listed on the resultant contract(s), a written request to the DSCP Market Ready Contract Specialist, Mary Keller, shall be submitted to have the item added. The Contract Specialist will contact the vendor and arrange to have the item added to the STORES catalog.

B. Prior to its inclusion in the STORES catalog, the pricing for each additional item must be negotiated and the Contracting Officer must determine that the price for the respective item is fair and reasonable.

C. A written modification will not be issued when an item is added to the catalog.

D. Additional items may not increase the original dollar value of the contract by more than 25%.

E. IMPORTANT NOTE: Items not included in the STORES catalog cannot be ordered from the contractor.

V. ADDITIONAL CUSTOMERS

A. Additional DoD and non-DoD customers located in the same distribution area as the successful contractor may be added to the contract based on a mutually agreed upon implementation plan.

B. The potential customers cannot increase the amount of the contract by more than 25% in total. It should be noted that the 25% new business will also be allowable at the maximum ceiling and the alternate higher ceiling.

C. To the extent that the customers supported under the contracts do not meet the estimated dollar purchases, the Contracting Officer reserves the right to add more than 25% of additional business. The additional business shall be equivalent to the percentage of unused business. For example, if 20% of the customers' estimate remains unobligated, then an additional 45% may be added to customers on the same contract. This is not transferable from one contract to another.

D. Additional customers are limited to those that receive federal funding.

VI. CUSTOMER SERVICE POLICY

The contractor(s) shall treat each of the customers covered under the contract(s) as one of its best customers. Therefore, any treatment and/or customer service policy given to other essential accounts shall also be given to the customers covered under this contract.

DESCRIPTION/SPECIFICATIONS

I. DEFENSE APPROPRIATIONS ACT

A. All items supplied under this contract and awarded as a result of this solicitation must comply with the Berry Amendment (10 U.S.C. Section 2241, Note 1) and the provisions of Clause 252.225-7012. These references require that all items supplied under the contract be grown and produced in the United States.

B. Vendors are reminded that the annual Defense Appropriations Act requires that all food product supplied to the military, which are paid for by appropriated funds, must be 100% grown and produced in the United States or its possessions. This would not apply for commissary resale items or for the acquisition of those specific items listed as follows:

<i>Bananas</i>	<i>Beef extract</i>	<i>Beef, corned, canned</i>
<i>Capers</i>	<i>Cashew Nuts</i>	<i>Brazil nuts, unroasted</i>
<i>Castor beans and oil</i>	<i>Chestnuts</i>	<i>Cocoa beans</i>
<i>Chicle</i>	<i>Tea in bulk</i>	<i>Thyme Oil</i>
<i>Coffee, raw or green bean</i>	<i>Olive Oil</i>	<i>Oranges, mandarin, canned</i>
<i>Spices and herbs, in bulk</i>	<i>Sugars, raw</i>	<i>Tapioca, flour and cassava</i>
<i>Vanilla beans</i>		
<i>Olives (green), pitted or unpitted or stuffed, in bulk</i>		
<i>Coconut and coconut meat, unsweetened, in shredded, desiccated, or similarly prepared forms.</i>		

C. For additional information, please consult the DoD FAR Supplement at 225.70 "Appropriations Act Restrictions" and/or contact the Contracting Officer.

II. ORDERING SYSTEM

A. Subsistence Total Order and Receipt Electronic System (STORES)

1. STORES is the Government's ordering system which is capable of accepting orders from any of the Services', i.e. Army, Air Force, Navy or Marines, individual ordering systems and translating the orders into an EDI (Electronic Data Interchange) format. In addition, this information is transmitted to DSCP for the purposes of contractor payment and customer billing.

2. Customers will be able to order all of their bread and bakery requirements through STORES.

3. All STORES orders will be received via a 850 Transaction Set (Electronic Order). Fax orders will no longer be received. The 850 will contain information sufficient to fulfill the order, including,

but not limited to, contract number, call number, P.I. number, DODAAC, clin number and required delivery date.

4. EDI capability is a requirement for award under this solicitation. DSCP anticipates that all vendors will be EDI capable by contract start up and will take the necessary steps now to ensure that this goal is met. Offerors must consider moving towards a fully functional EDI environment. In order to interface with STORES electronically, the offeror must be able to support the following EDI transaction sets:

850	Purchase Order
997	Functional Acknowledgment
810	Invoice (optional at this time)

5. It is preferred that the successful vendor have access to the Internet and be able to send and receive electronic mail (e-mail).

6. The EDI-capable vendor must be able to conform to the Government's format for Item Descriptions on both the catalog and the invoices. The Government's format begins with a broad category and then continues with a more general description. For example, a 16 ounce loaf of whole wheat bread would be described as "Bread, Whole Wheat, Fresh, pan baked, round top, 16 oz. pg."

B. Order Placement

1. Customers shall place orders via STORES to accommodate a "skip-day" delivery. Orders shall generally be sent no later than 2:00 p.m. two (2) days prior to the desired delivery date in order to ensure maximum availability of product. However, a customer may decide to place an order with a longer leadtime for delivery.

2. The vendor should notify the customer, no later than 24 hours after order placement, of the non-availability of an item. If it appears that the vendor will not be able to fulfill the order in time to meet the required delivery date, the vendor shall either offer the customer a substitute of equal or higher quality and of equal or lower cost, or advise the customer of its Not-in-Stock position.

DELIVERIES OR PERFORMANCE

I. TERMS OF INDEFINITE QUANTITY CONTRACT

A. The duration of the contract(s) is for a one (1) year period beginning on the day after the current contract expires.

B. Prior to the beginning of the ordering period for these contracts, a contractor start-up period in order to fully catalog the customers' requirements is recognized as being necessary to successfully implement this project.

II. ITEM AVAILABILITY

All items must be stocked in sufficient quantities to fill the customers' requirements. All deliveries must be made within 48 hours after order placement unless otherwise authorized by the customer.

III. DELIVERY INSTRUCTIONS

A. Deliveries shall be made FOB Destination to each ordering activity and shall be free of damage, with all packing and packaging intact.

B. Most customers, unless otherwise specified, will receive deliveries two (2) times per week. Early morning deliveries are usually preferred, i.e. prior to 10:00 a.m. Saturday deliveries are not normally required, but may occasionally be necessary to support a customer's immediate need. Detailed delivery instructions appear on pages 48 thru 50 of this solicitation.

IV. SUBSTITUTIONS

A. Substitutions must be of the same or higher quality and at the same or lower price. Payment of items will be based on the price in the vendor's electronic catalog. Therefore, firms that submit an invoice reflecting a higher price for substituted items will not be paid the full amount and will only be reimbursed for the unit price shown in the catalog.

B. If the price of the substituted item is *lower* than the price of the item originally ordered, then the vendor shall invoice at the lower price and not the catalog price.

V. HOLIDAYS

A. All orders are to be delivered on the specified delivery date, except for Federal holidays as outlined below. NOTE: The MSCO Ships at Port Canaveral may require delivery on a Federal holiday. When a scheduled delivery day falls on one of these days, or one designated by your firm, delivery should occur on the next scheduled business day, unless otherwise agreed to by the customer.

- | | |
|-------------------------------|------------------|
| New Year's Day | Labor Day |
| Martin Luther King's Birthday | Columbus Day |
| President's Day | Veteran's Day |
| Memorial Day | Thanksgiving Day |
| Independence Day | Christmas Day |

NOTE: Saturday holidays are celebrated on the preceding Friday; Sunday holidays are celebrated on the following Monday.

B. Holidays celebrated by your firm other than those specified above must be listed below. Also specify your policy for celebrating holidays that fall on the weekend.

VI. EMERGENCY ORDERS

A. In order to adequately support emergency order, the vendor must have the ability to provide "same day service" to a customer that is experiencing an emergency situation.

B. The vendor shall provide, at minimum, two (2) emergency orders per month, per individual ordering activity or individual ship or vessel, at no additional cost to the Government.

C. The vendor is responsible for furnishing the name of the designated point of contact responsible for handling emergency orders, and his/her phone number and/or pager number, to the customers.

VII. AUTHORIZED RETURNS

A. The contractor shall accept returns under the following conditions:

1. Products shipped in error;
2. Products damaged in shipment;
3. Products with concealed or latent damage;
4. Products that are recalled;
5. Products that do not meet shelf life requirements;
6. Products that do not meet the minimum quality requirements;
7. Products delivered in unsanitary vehicles;
8. Quantity excess as a result of order input error and/or Purchase Ratio Factor error.

B. Any other conditions not specified above that are deemed to be valid reasons for return.

VIII. SHORT SHIPMENTS/SHIPPING ERRORS

A. All short shipments must be annotated by the receiving official on the delivery ticket/invoices accompanying the shipment.

B. Any product delivered in error must be picked up by the vendor on the next delivery day after notification by the ordering activity.

CONTRACT ADMINISTRATION DATA**I. CONTRACTING AUTHORITY**

A. The DSCP Contracting Officer is the only person authorized to approve changes to, or modify any requirement of, the contract. Notwithstanding any provisions contained elsewhere in the contract, said authority remains solely with the DSCP Contracting Officer.

B. In the event the vendor effects any change at the direction of any person other than the DSCP Contracting Officer, the change will be considered to have been made without authority and no adjustment will be made to cover any costs associated with such change.

C. Requests for information on matters related to this contract, such as an explanation of terms or contract interpretation, shall be submitted to the DSCP Contracting Officer.

II. INVOICING

A. Each delivery will be accompanied by the contractor's delivery ticket/invoice. Three (3) copies (an original plus two) shall accompany the shipment. The customer shall sign all copies of the invoices/delivery ticket, keep one (1) copy and return the ORIGINAL copy to the vendor. Any changes must be made on the face of the invoice. Attachments to the invoice are not acceptable.

B. Each invoice shall contain sufficient data for billing purposes. This includes:

1. Contract Number;
2. Call Number or Delivery Order Number or Contract Order Number;
3. Purchase Order Number;
4. Contract Line Items listed in numeric sequence (also referred to as CLIN order);
5. Item Nomenclature;
6. DODAAC
7. Quantity purchased per item in DSCP's unit of issue;
8. Clearly identified and annotated changes on all copies;
9. Total dollar value of each invoice (reflecting changes to the shipment, if applicable).
10. LSN or NSN

C. A copy of the STORES Order Report must be attached to all invoices.

D. It is strongly preferred that there be only one(1) invoice per customer per delivery. Vendors are discouraged from running separate invoices for bread and bakery items. However, if this is not possible, then all invoices must be clearly annotated that they are part of a group, e.g. 1 of 3, 2 of 3, etc.

E. Unit prices and extended prices must be formatted to only two (2) places beyond the decimal point. STORES will not accommodate positions of three (3) and above places beyond the decimal point. For example, an extended unit price of \$1.087 must be rounded up to \$1.09.

F. Procedures to be used for electronic invoicing (810 transaction set) are on pages 28 to 44.

III. PAYMENTS

A. DFAS Columbus is the payment office for all acquisitions using STORES. All invoices must be submitted electronically to DFAS Columbus for payment.

If a customer orders manually (not thru STORES), invoices must also be faxed to the Contract Specialist at (215) 737-8060.

B. Payment of delivery orders will be made in accordance with the terms and conditions of Paragraph (I) of Clause 52.212-4 "Contract Terms and Conditions – Commercial Items", appearing in the section of this solicitation entitled "Contract Clauses".

C. Payment is currently being made in approximately seven (10) days after the receipt of a proper electronic invoice; however, payment is still subject to the terms and conditions of the Prompt Payment Act (31 U.S.C. 3903).

IV. ADMINISTRATION

A. Administration of the contract will be performed by DSCP in Philadelphia.

B. Administration of the individual delivery order will be performed by a designated representative at the ordering activity. This includes approving product substitutions and delivery changes.

C. The DSCP Contracting Officer must approve any changes to the contract.

D. The Government intends to utilize Electronic Funds Transfer (EFT) to make payments under the resultant contract(s). However, the Government reserves the right to use a manual payment system, i.e. check, if the need arises. Refer to Clause 52.232-33 "Mandatory Information for Electronic Funds Transfer Payment".

SPECIAL CONTRACT REQUIREMENTS

I. NOTICE TO OFFERORS

Prospective offerors are hereby advised that although there is a guaranteed minimum of 25%, DSCP cannot guarantee that any or all of the customers will order all of their bread and bakery requirements from the successful vendor(s). (A) The Contractor shall include EFT banking information on the invoice only if required elsewhere in this contract.

(B) If EFT banking information is not required to be on the invoice, in order for the invoice to be a proper invoice, the Contractor shall have submitted correct EFT banking information in accordance with the applicable solicitation provision, contract clause (e.g., 52.232-33, Payment by Electronic Funds Transfer—Central Contractor Registration, or 52.232-34, Payment by Electyronic Funds Transfer—Other Than Central Contractor Registration), or applicable agency procedures.

However, registration of an applicant submitting an application through a method other than the Internet may take up to 30 days. - (1) The solicitation number;
- (2) The time specified in the solicitation for receipt of offers;
- (3) The name, address, and telephone number of the offeror;
- (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;

- (11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) Period for Acceptance of Offers.

The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) Product Samples.

Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) Multiple Offers.

Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

52.212-1 (continued)**(f) Late Submissions, Modifications, Revisions, and Withdrawals of Offers.**

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is “late” and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government’s control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) Multiple Awards.

The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. 52.233-9000 AGENCY PROTESTS (SEP 1999) DLAD

Companies protesting this procurement may file a protest 1) with the contracting officer, 2) with the General Accounting Office, or 3) pursuant to Executive Order 12979, with the Agency for a decision by the Activity's Chief of the Contracting Office. Protests filed with the agency should clearly state that they are an "Agency Level Protest under Executive Order 12979." (Note: DLA procedures for Agency Level Protests filed under Executive Order No. 12979 allow for a higher level decision on the initial protest than would occur with a protest to the contracting officer; this process is not an appellate review of a contracting officer's decision on a protest previously filed with the contracting officer). Absent a clear indication of the intent to file an agency level protest, protests will be presumed to be protests to the contracting officer.

52.233-9001 DISPUTES: AGREEMENT TO USE ALTERNATIVE DISPUTE RESOLUTION (JUN 2001) DLAD

(a) The parties agree to negotiate with each other to try to resolve any disputes that may arise. If unassisted negotiations are unsuccessful, the parties will use alternative dispute resolution (ADR) techniques to try to resolve the dispute. Litigation will only be considered as a last resort when ADR is unsuccessful or has been documented by the party rejecting ADR to be inappropriate for resolving the dispute.

(b) Before either party determines ADR inappropriate, that party must discuss the use of ADR with the other party. The documentation rejecting ADR must be signed by an official authorized to bind the contractor (see FAR 52.233-1), or, for the Agency, by the contracting officer, and approved at a level above the contracting officer after consultation with the ADR Specialist and with legal counsel (see DLA Directive 5145.1). Contractor personnel are also encouraged to include the ADR Specialist in their discussions with the contracting officer before determining ADR to be inappropriate.

(c) If you wish to opt out of this clause, check here []. Alternate wording may be negotiated with the contracting officer.

In addition to other factors, bids will be evaluated on the basis of advantages and disadvantages to the Government that might result from making more than one award (multiple awards). It is assumed, for the purpose of evaluating bids, that \$500 would be the administrative cost to the Government for issuing and administering each contract awarded under this solicitation, and individual awards will be for the items or combinations of items that result in the lowest aggregate cost to the Government, including the assumed administrative costs.
