SUPPLIES OR SERVICES AND PRICES**I. INTRODUCTION**

A. The Defense Supply Center Philadelphia (DSCP) intends to support the needs of its customers by entering into one (1) or more Indefinite Quantity Contracts (IQC's) to supply Milk and Dairy products to customers stated in paragraph "B" below. The resulting contract(s) will be Indefinite Quantity Contracts (IQC'S) that provide for an indefinite quantity, within stated limits, of specific supplies and services to be furnished during a fixed period, with deliveries to be scheduled by placing orders with the contractor (FAR 16.504 (a)). These contracts will be for a one (1) year base term with a one-year option period.

B. Effective period of the contract

BASE YEAR – **October 7, 2002 through October 4, 2003**

OPTION YEAR 1 – **October 5, 2003 through October 4, 2004**

C. Option: This acquisition contains a one-year option. Acceptance of this option is mandatory. Option Year 1 will follow the Base Year period upon expiration of that term. Exercise of the option by the Government is described in 52.217-9P12 "Option for Indefinite-Delivery, Indefinite-Quantity Contract Term Extension" (JUL 1998).

D. This acquisition requires the submission of electronic invoices via an 810 Electronic Data Interchange (EDI) transaction set or through the use of the Web Invoicing System (WINS). Additional information on both methods are found on pages 105-121 of this solicitation.

E. Unit prices shall be limited to a maximum of two decimal places. See FAR clause 52.214-9P06, "Rounding Off of Offer and Award Prices" (January 1992), on page 98 of subject solicitation. Non compliance may cause your offer to be rejected.

F. This solicitation contains the estimated Milk and Dairy Products requirements for the following customers:

- ?? FORT BRAGG, NC
- ?? SEYMOUR JOHNSON AFB, NC
- ?? MCAS CHERRY POINT, NC (CDC)
- ?? CAMP LEJEUNE, NC
- ?? VA MEDICAL CENTER , DURHAM, NC
- ?? VA MEDICAL CENTER, FAYETTEVILLE, NC
- ?? OCONALUFTEE JOB CORPS CENTER, NC

G. Customers comprise the Groups as follows: **Group 1** - Fort Bragg, NC, Troop Issue and Club system, Womack Army Medical Center, Pope AFB, NC and VAMC Fayetteville, NC; **Group 2** - Seymour Johnson AFB, NC, Troop Issue and Child Development Center; **Group 3** - Camp LeJeune, NC, Troop Issue and Hospital, and MCAS Cherry Point NC, Troop Issue and Naval Hospital; **Group 4** - Oconaluftee Job Corps Center, NC; and **Group 5** - VAMC, Durham, NC.

H. The estimated dollar value for **Group 1** is \$563,500.00, **Group 2** is \$23,645.00, **Group 3** is \$472,627.00, **Group 4** is \$15,550.00, and **Group 5** is \$46,500.00. Total estimated dollar value of the base term and the option year, respectively, for all groups is \$1,121,822.00. The estimated dollar value is \$2,243,644.00 for both years combined.

I. This acquisition for Milk and Milk products is solicited on an "All or None" basis per group. Each group will be evaluated separately. The award will be made based on the lowest evaluated price of proposals meeting or exceeding the following technically acceptable standards:

1. The ability to provide the product in accordance with the item description.
2. The ability to deliver product in accordance with delivery schedule.

II. GUARANTEED MINIMUM/MAXIMUM

A. The guaranteed minimum for all Groups is 25% of the estimated dollar value.

B. The maximum ceiling on the resultant contract(s) is 125% of the estimated dollar value per year. In the event of emergencies and/or mobilization, the Government reserves the right to unilaterally execute a higher alternate ceiling. This higher alternate ceiling is 150% of the estimated dollar value per year. As illustrated above, these percentages are calculated on a "per contract" basis.

III. PRICING

A. Prices shall be FOB Destination only.

B. Offerors are required to submit a copy of their current Wholesale Price List, Catalog Price Schedule or other documents containing commercial pricing information.

C. Offerors are required to cross-reference the prices on the Wholesale Price List, Catalog Price Schedule or other pricing documents to the item number on the solicitation. There are several ways of accomplishing this, including writing the item number, as specified in the solicitation, next to the price and item description on the price list. Please do not submit a separate list of information especially prepared for this solicitation; the pricing catalog, complete with cross-references, is requested.

D. In order to accommodate the Government's ordering system, the Subsistence Total Order and Receipt Electronic System (STORES), unit prices are limited to a maximum of two (2) places after the decimal point. Reference Clause 52.214-9P06 "Rounding Off of Offer and Award Prices". In addition, the system requires that prices be fixed for a certain period of time. Prices for the resultant contract(s) may or may not change on a monthly basis in accordance with Clause 52.216-9P15 "Economic Price Adjustment (EPA) – Established Market Price" (Mar 2000).

E. If offering on more than one (1) group, unit prices for the same item must be identical in all groups. For example, if Milk, reduced fat, 2.0% milk fat, half pint, is priced at \$0.15 in Group 1, it must be priced at \$0.15 in all groups.

IV. NEW ITEMS

A. If a customer desires to order an item that is not listed on the resultant contract(s), a written request to the DSCP Market Ready Contract Specialist, Ray Sokolowski, shall be submitted to have the item added. The Contract Specialist will contact the vendor and arrange to have the item added to the STORES catalog.

B. Prior to its inclusion in the STORES catalog, the pricing for each additional item must be negotiated and the Contracting Officer must determine that the price for the respective item is fair and reasonable.

C. A written modification will not be issued when an item is added to the catalog.

D. Additional items may not increase the original dollar value of the contract by more than 25%.

E. IMPORTANT NOTE: Items not included in the STORES catalog cannot be ordered from the contractor.

V. ADDITIONAL CUSTOMERS

A. Additional DoD and non-DoD customers located in the same distribution area as the successful contractor may be added to the contract based on a mutually agreed upon implementation plan.

B. The potential customers cannot increase the amount of the contract by more than 25% in total. It should be noted that the 25% new business will also be allowable at the maximum ceiling and the alternate higher ceiling.

C. To the extent that the customers supported under the contracts do not meet the estimated dollar purchases, the Contracting Officer reserves the right to add more than 25% of additional business. The additional business shall be equivalent to the percentage of unused business. For

example, if 20% of the customers' estimate remains unobligated, then an additional 45% may be added to customers on the same contract. This is not transferable from one contract to another.

D. Additional customers are limited to those that receive federal funding.

VI. CUSTOMER SERVICE POLICY

The contractor(s) shall treat each of the customers covered under the contract(s) as one of its best customers. Therefore, any treatment and/or customer service policy given to other essential accounts shall also be given to the customers covered under this contract.

DESCRIPTIONS/SPECIFICATIONS

I. DEFENSE APPROPRIATIONS ACT

A. All items supplied under this contract and awarded as a result of this solicitation must comply with the Berry Amendment (10 U.S.C. Section 2241, Note 1) and the provisions of Clause 252.225-7012. These references require that all items supplied under the contract be processed in the United States. The Amendment has been interpreted to allow for the use of foreign raw materials as long as all processing is completed domestically.

B. Vendors are reminded that the annual Defense Appropriations Act requires that all food products supplied to the military, which are paid for by appropriated funds, must be 100% processed and produced in the United States or its possessions. This would not apply for commissary resale items or for the acquisition of those specific items listed as follows:

- | | | |
|---|---------------------|-----------------------------------|
| <i>Bananas</i> | <i>Beef extract</i> | <i>Beef, corned, canned</i> |
| <i>Capers</i> | <i>Cashew Nuts</i> | <i>Brazil nuts, unroasted</i> |
| <i>Castor beans and oil</i> | <i>Chestnuts</i> | <i>Cocoa beans</i> |
| <i>Chicle</i> | <i>Tea in bulk</i> | <i>Thyme Oil</i> |
| <i>Coffee, raw or green bean</i> | <i>Olive Oil</i> | <i>Oranges, mandarin, canned</i> |
| <i>Spices and herbs, in bulk</i> | <i>Sugars, raw</i> | <i>Tapioca, flour and cassava</i> |
| <i>Vanilla beans</i> | | |
| <i>Olives (green), pitted or unpitted or stuffed, in bulk</i> | | |
| <i>Coconut and coconut meat, unsweetened, in shredded, desiccated, or similarly prepared forms.</i> | | |

C. For additional information, please consult the DoD FAR Supplement at 225.70 “Appropriations Act Restrictions” and/or contact the Contracting Officer.

II. ORDERING SYSTEM

A. Subsistence Total Order and Receipt Electronic System (STORES)

1. STORES is the Government's ordering system which is capable of accepting orders from any of the Services', i.e. Army, Air Force, Navy or Marines, individual ordering systems and translating the orders into an EDI (Electronic Data Interchange) format. In addition, this information is transmitted to DSCP for the purposes of contractor payment and customer billing.

2. Customers will be able to order all of their milk and dairy requirements through STORES.

3. All STORES orders will be received via an 850 Transaction Set (Electronic Order). Fax orders will no longer be received. The 850 will contain information sufficient to fulfill the order including, but not limited to, contract number, call number, P.O. number, DODAAC, clin number and required delivery date.

4. EDI capability is a requirement for award under this solicitation. DSCP anticipates that all vendors will be EDI capable by contract startup, or October 2002, whichever is first, and will take the necessary steps now to ensure that this goal is met. In order to interface with STORES electronically, the offeror must be able to support the following EDI transaction sets:

| | |
|-----|---------------------------|
| 850 | Purchase Order |
| 997 | Functional Acknowledgment |
| 810 | Invoice * |

*Firms may also elect to utilize the Web Invoicing System (WINS) available at <https://ecweb.dfas.mil>. Information regarding this system is available at <https://ecweb.dfas.mil/notes/MainPage.cfm>

5. It is preferred that the successful vendor have access to the Internet and be able to send and receive electronic mail (e-mail).

6. The EDI-capable vendor must be able to conform to the Government's format for Item Descriptions on both the catalog and the invoices. The Government's format begins with a broad category and then continues with a more general description. For example, a half gallon of skim milk would be described as "Milk, Skim, Chl, ½ gal co".

B. Order Placement

1. Customers shall place orders via STORES to accommodate a "skip-day" delivery. Orders shall generally be sent no later than 2:00 p.m., two (2) days prior to the desired delivery date,

in order to ensure maximum availability of product. However, a customer may decide to place an order with a longer leadtime for delivery.

2. The vendor should notify the customer, no later than 24 hours after order placement, of the non-availability of an item. If it appears that the vendor will not be able to fulfill the order in time to meet the required delivery date, the vendor shall either offer the customer a substitute of equal or higher quality and of equal or lower cost, or advise the customer of its Not-in-Stock position.

III. PRODUCT QUALITY

f. Ice Milk Mix, fresh (soft serve), Milk Shake Mix, fresh (direct draw) must be delivered within 120 hours after manufacture:

B. Commercial standards should be used to maintain proper temperatures appropriate for each item.

C. A substitute item must be of equal or higher technical quality and equal or lower in price.

IV. QUALITY PROGRAM

6. Customer satisfaction is monitored;
7. Product discrepancies and complaints are resolved and corrective action is initiated;
8. Salvaged items or products shall not be used; and
9. Supplier, FDA, or DoD initiated food recalls are promptly reported to customers and DSCP

III. BULK MILK CONTAINERS

A. The bulk milk/juice dispenser container shall be a single service dispenser container (multi-gallon polyethylene bag) and shall be delivered in a single service shipping container (corrugated cardboard box) or multi-service shipping container (plastic/metal holder/kepercase) which does not require a transferring of the single service dispenser container (polyethylene bag) to a holder/kepercase or dispenser case at point of use.

B. Any qualification requesting monetary deposits on milk cases delivered or any liability to the government for lost or damaged milk cases will render your offer nonresponsive, since any such qualification is in direct violation of Clause 52.217-9P04 "Responsibility for Containers and Equipment" (Jan 1992) DFARS, hereby made part of this solicitation.

C. Any offeror taking exception to the method(s) shown above may be determined to be non-responsive.

INSPECTION AND ACCEPTANCE

I. INSPECTION AND ACCEPTANCE

A. Inspection and Acceptance of products will be performed at destination. The inspection is normally limited to identity, count and condition; however, this may be expanded if deemed necessary by either the Military Veterinary Inspector or Contracting Officer.

B. All deliveries are subject to military veterinary inspection. In addition, the delivery vehicles may be inspected for cleanliness and condition.

C. The authorized receiving official or inspector at each delivery point is responsible for inspecting and accepting products as they are delivered. The invoice/delivery ticket shall not be signed prior to inspection of the product. All overages, shortages, and/or returns are to be noted on the delivery ticket by the receiving official and the truck driver. A signature on the delivery ticket/invoice denotes acceptance of the product.

II. WARRANTIES

The supplies furnished under the resultant contract(s) shall be covered by the most favorable commercial warranties the contractor gives to any customer for such supplies and the rights and remedies provided therein are in addition to and do not limit any rights afforded to the Government by Clause 52.212-4(o) "Warranty" contained in the solicitation.

III. REJECTION PROCEDURES

A. If product is determined to be either defective, damaged, or compromised in any other manner, it may be rejected by the authorized receiving official.

B. It is a requirement of this solicitation that product shall be inspected upon receipt as promptly as practicable. However, failure to promptly inspect or accept supplies shall not relieve the contractor from responsibility, nor impose liability on any of the customers, for nonconforming supplies.

C. When product is found to be nonconforming or damaged, or otherwise suspect, the veterinary inspector shall notify the authorized food service officer. The Food Service Officer shall inspect and determine the course of action to be taken with the product in question. If present, the contractor representative may be consulted. The final decision is to be made by the Food Service Officer and/or his/her representative.

D. If an item is rejected at the time of delivery, the delivery ticket/invoice must be annotated to reflect what item(s) and quantity(ies) were affected. The line item dollar value, as well as the total invoice dollar value, must be adjusted to reflect the adjusted value of the shipment.

E. If product is rejected after the delivery occurred, the vendor must pick up the rejected product at the time the next regular shipment is made.

IV. DELIVERY VEHICLE REQUIREMENTS

A. Supplies transported in vehicles that are not sanitary, or that have not maintained the proper temperatures, may be rejected at destination without further inspection.

A. Substitutions must be of the same or higher quality and at the same or lower price. Payment of items will be based on the price in the vendor's electronic catalog. Therefore, firms that submit an invoice reflecting a higher price for substituted items will not be paid the full amount and will only be reimbursed for the unit price shown in the catalog.

B. If the price of the substituted item is *lower* than the price of the item originally ordered, then the vendor shall invoice at the lower price and not the catalog price.

C. Vendors are required to notify customers if a substitution will be necessary. The customer must approve the substitution prior to shipment.

VI. HOLIDAYS

A. All orders are to be delivered on the specified delivery date, except for Federal holidays as outlined below. NOTE: When a scheduled delivery day falls on one of these days, or one designated by your firm, delivery should occur on the next scheduled business day, unless otherwise agreed to by the customer.

B. The vendor shall provide, at minimum, two (2) emergency orders per month, per individual ordering activity or individual ship or vessel, at no additional cost to the Government.

C. The vendor is responsible for furnishing the name of the designated point of contact responsible for handling emergency orders, and his/her phone number and/or pager number, to the customers.

VIII. AUTHORIZED RETURNS

B. Any product delivered in error must be picked up by the vendor on the next delivery day after notification by the ordering activity.

CONTRACT ADMINISTRATION DATA

I. CONTRACTING AUTHORITY

A. The DSCP Contracting Officer is the only person authorized to approve changes to, or modify any requirement of, the contract. Notwithstanding any provisions contained elsewhere in the contract, said authority remains solely with the DSCP Contracting Officer.

B. In the event the vendor effects any change at the direction of any person other than the DSCP Contracting Officer, the change will be considered to have been made without authority and no adjustment will be made to cover any costs associated with such change.

C. Requests for information on matters related to this contract, such as an explanation of terms or contract interpretation, shall be submitted to the DSCP Contracting Officer.

II. INVOICING

Attachments to the invoice are not acceptable.

B. Each delivery ticket/invoice accompanying the shipment shall contain sufficient data for billing purposes. This includes:

1. Contract Number;
2. Call Number or Delivery Order Number or Contract Order Number;

9. Total dollar value of each invoice (reflecting changes to the shipment, if applicable).

C. It is ***strongly preferred*** that there be only one (1) invoice per customer per delivery. Vendors are discouraged from running separate invoices for milk and dairy items. However, if this is not possible, then all invoices must be clearly annotated that they are part of a group, e.g. 1 of 3, 2 of 3, etc.

D. DSCP now requires vendors to invoice electronically, either by the use of an 810 Electronic Invoice or through the use of the Web Invoicing System (WINS). Information relating to the submission of an 810 can be found in Attachment 1, on pages 108 of this solicitation. Attachment 2, Instructions on using the Web Invoicing System (WINS) are listed on page 123 of this solicitation.

E. Unit prices and extended prices must be formatted to only two (2) places beyond the decimal point. STORES will not accommodate positions of three (3) and above places beyond the decimal point. For example, a unit price of \$1.087 must be rounded up to \$1.09.

III. PAYMENTS

A. DFAS Columbus is the payment office for this acquisition. Once you decide how you will submit your request for payment, i.e. 810 electronic invoice or your submission in the WINS system,

you must notify the DSCP Contract Specialist, Ray Sokolowski. Testing must be conducted on the 810 prior to its submission to DFAS.

B. Payment of delivery orders will be made in accordance with the terms and conditions of Paragraph (I) of Clause 52.212-4 "Contract Terms and Conditions – Commercial Items", appearing in the section of this solicitation entitled "Contract Clauses".

C. Payment is currently being made in approximately ten (10) days after the receipt of a proper invoice; however, payment is still subject to the terms and conditions of the Prompt Payment Act (31 U.S.C. 3903).

IV. ADMINISTRATION

A. Administration of the contract will be performed by DSCP in Philadelphia.

B. Administration of the individual delivery order will be performed by a designated representative at the ordering activity. This includes approving product substitutions and delivery changes.

C. The DSCP Contracting Officer must approve any changes to the contract.

D. The Government intends to utilize Electronic Funds Transfer (EFT) to make payments under the resultant contract(s). 52.212-1 (continued)**(f) Late Submissions, Modifications, Revisions, and Withdrawals of Offers.**

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. THE FOLLOWING ADDITIONAL PROVISIONS are set forth in FULL TEXT:

52.233-9000 AGENCY PROTESTS (SEP 1999) DLAD

Companies protesting this procurement may file a protest 1) with the contracting officer, 2) with the General Accounting Office, or 3) pursuant to Executive Order 12979, with the Agency for a decision by the Activity's Chief of the Contracting Office. Protests filed with the agency should clearly state that they are an "Agency Level Protest under Executive Order 12979." (Note: DLA procedures for Agency Level Protests filed under Executive Order No. 12979 allow for a higher level decision on the initial protest than would occur with a protest to the contracting officer; this process is not an appellate review of a contracting officer's decision on a protest previously filed with the contracting officer). Absent a clear indication of the intent to file an agency level protest, protests will be presumed to be protests to the contracting officer.

52.233-9001 DISPUTES: AGREEMENT TO USE ALTERNATIVE DISPUTE RESOLUTION (JUN 2001) DLAD

(a) The parties agree to negotiate with each other to try to resolve any disputes that may arise. If unassisted negotiations are unsuccessful, the parties will use alternative dispute resolution (ADR) techniques to try to resolve the dispute. Litigation will only be considered as a last resort when ADR is unsuccessful or has been documented by the party rejecting ADR to be inappropriate for resolving the dispute.

(b) Before either party determines ADR inappropriate, that party must discuss the use of ADR with the other party. The documentation rejecting ADR must be signed by an official authorized to bind the contractor (see FAR 52.233-1), or, for the Agency, by the contracting officer, and approved at a level above the contracting officer after consultation with the ADR Specialist and with legal counsel (see DLA Directive 5145.1). Contractor personnel are also encouraged to include the ADR Specialist in their discussions with the contracting officer before determining ADR to be inappropriate.

(c) If you wish to opt out of this clause, check here []. Alternate wording may be negotiated with the contracting officer.

In addition to other factors, bids will be evaluated on the basis of advantages and disadvantages to the Government that might result from making more than one award (multiple awards). It is assumed, for the purpose of evaluating bids, that \$500 would be the administrative cost to the Government for issuing and administering each contract awarded under this solicitation, and individual awards will be for the items or combinations of items that result in the lowest aggregate cost to the Government, including the assumed administrative costs.

52.204-9P03 REQUIREMENT FOR CERTIFICATION OF A PREVIOUSLY EXECUTED ELECTRONIC DATA INTERCHANGE (EDI) (MAR 1994) DSCP

(b) Such EDI TPA--

(1) is between the Defense Supply Center Philadelphia, Directorate of Subsistence and _____;

(2) is dated _____; and

52.209-9P04 CERTIFICATION OR DISCLOSURE OF SUSPENDED SUBCONTRACTORS, SUPPLIERS OR INDIVIDUALS (JAN 1992) DSCP

(a) Contractors are prohibited from using suspended or debarred contractors as subcontractors or suppliers.

(1) Except as listed in paragraph (3) below, the offeror certifies by submission of its offer, that no part of the work called for by any contract resulting from this solicitation shall be performed by any subcontractor, of any tier, or supplier appearing in the lists of parties excluded from federal procurement or nonprocurement programs.

(2) Verification of any contractor suspected of appearing in the above list may be obtained by contacting the contracting officer at the office shown on page 1 of the solicitation.

(3) Debarred or suspended contractors proposed as subcontractors or suppliers:

Name and Address of Contractor(s)

(4) Approval to use a debarred or suspended contractor as a subcontractor or supplier shall not be given by the government unless there are compelling reasons for this approval.

(5) Failure on the part of the offeror to comply with this clause in any contract resulting from this solicitation may result in the government terminating the entire contract, or any portion thereof, pursuant to the "default" clause of such contract.

(6) The offeror agrees, if awarded a contract under this solicitation, to insert the substance of this clause, including this paragraph (6), in every subcontract resulting from such contract and to require its subcontractors and suppliers to do likewise.

(b) In addition, offerors are required to identify below, as indicated any suspended or debarred individuals appearing in the list in paragraph (a)(1) above whom they employ, associate with or have a relationship to. Such employment, business associations and relationships will be examined to determine the impact of those ties on the responsibility of the offeror as a government contractor. Verification of suspected suspended/debarred individuals may be obtained as indicated in paragraph (a)(2) above.

| Name and Title of Suspended or Debarred Individual(s): | Organization: (If other than offeror) | Describe Association/ Relationship: (e.g., employee, consultant) |
|---|--|---|
| _____ | _____ | _____ |

52.209-9P06 RESPONSIBILITY OF OFFEROR (JAN 1992) DSCP

In considering the responsibility of an offeror, the government reserves the right to determine the responsibility of the offeror's proposed subcontractor(s) or supplier(s). The same factors shall be used to determine the responsibility of the offeror and its subcontractor(s) or supplier(s). The determination of responsibility of a proposed subcontractor or supplier shall not be construed to relieve the contractor of the sole responsibility of assuring that performance of all work under the contract is in strict accordance with its terms and conditions.

52.217-9P12 OPTION FOR INDEFINITE-DELIVERY, INDEFINITE-QUANTITY CONTRACT TERM EXTENSION (JUL 1998) DSCP

(a) Acceptance of the option provision(s)/clauses contained herein is mandatory. Failure to indicate acceptance of the option by annotating the offeror's option price in the schedule or elsewhere in the solicitation will be deemed non-acceptance of the option and may result in rejection of the offeror's entire bid/proposal.

(b) Offerors may offer options at unit prices which differ from the unit prices for the base ordering period. These prices may vary with the quantities actually ordered and the dates when ordered.

(c) The contracting officer may extend the term of this contract for one additional one year period by written notice to the contractor within the time specified in the schedule; provided that the contracting officer shall give the contractor a preliminary written notice of intent to extend at least 60 days before expiration of the contract. The preliminary notice does not commit the government to an extension.

(d) Performance under the option period shall continue at the same performance level specified for the basic contract.

(e) The option to extend the term of the contract shall be exercised not later than three (3) days before the expiration date of the contract.

(f) The option is deemed exercised when mailed or otherwise furnished to the contractor.

(g) If the contracting officer exercises this option, the extended contract shall be considered to include this option clause and the minimum and maximum quantities specified in the award for that option period will apply. The modification exercising the option will also modify DSCP clause 52.217-9P16, Effective Period of Contract--Indefinite-Delivery, Indefinite-Quantity Contract, to cover the base ordering period and the additional option period(s) exercised to date.

(h) The total duration of any options exercised under this clause shall not exceed one year.

(i) The following provisions apply only to negotiated acquisitions:

(1) If an option has been priced under this solicitation and is to be exercised at time of award of the basic contract, the submission of certified cost or pricing data shall be required prior to award where the combined dollar value of the basic contract and option exceeds \$500,000, unless an exemption thereto is appropriate in accordance with FAR 15.403-1.

(2) Prior to the award of any contract which will contain one or more priced options totaling \$500,000 or more, the submission of certified cost or pricing data covering the basic contract and the option(s) shall be required regardless of when the option(s) may be exercised, unless an exemption thereto is appropriate in accordance with FAR 15.403-1.

52.217-9P13 EVALUATION OF OPTIONS -- SOURCE SELECTION FOR AN INDEFINITE-DELIVERY, INDEFINITE-QUANTITY CONTRACT (JAN 1992) DSCP

(a) For award purposes, in addition to an offeror's response to the base ordering period, the government will evaluate its response to all options, both technical and price. To evaluate price, the government will add the total price for all options to the total price for the base ordering period. Further, where a contract line or subline item number in section B specifies a minimum and maximum quantity, the maximum quantity will be used to determine the total price. Evaluation of options will not obligate the government to exercise the options. For this solicitation, the options are as specified in clause 52.217-9P12.

(b) Should offerors propose option prices which vary (for example, with quantities actually ordered and the dates when ordered), these offers will be evaluated using the highest option price offered for each item.

52.212-2 EVALUATION—COMMERCIAL ITEMS (JAN 1999)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered

(b). A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

INSTRUCTIONS FOR THE SUBMISSIONS OF OFFERS AND OTHER INFORMATION

OFFERORS MUST SUBMIT THE FOLLOWING:

Offer

Standard Form 1449, "Solicitation, Contract, Order form for Commercial Items", with blocks 12, 17 and 30 completed by you.

RFP Section: "Schedule of Supplies/Services" pages 8-40, with your proposed prices inserted in the appropriate spaces, and item sizes/weights/types. For example, an offeror is permitted to propose a

RFP Section: "Representatives, Certifications, and Other statements of Offerors", completed by you.

The completion and submission of the above items will constitute your offer to perform in accordance with the terms and conditions in this RFP, including attachments and documents incorporated by reference. Our acceptance of your offer will create a binding contract.

Other Written Information

Price Information. In addition to submitting your individual line item pricing in section B (Schedule of Supplies and Services, pages 8-20), you must include a copy of your current Wholesale Price List (WPL). ATTACHMENT 2**INFORMATION ON THE WEB INVOICING SYSTEM (WINS)**

The Web Invoicing System (WINS) is an alternative to both the traditional paper invoice submitted to DFAS Columbus and an Electronic Data Interchange (EDI) 810 Transaction Set . Once a vendor has registered to submit invoices through WINS, all information pertaining to the invoice is sent via the Internet to DFAS for payment with little or no cost to the vendor. Vendors can enter invoices into templates on a DFAS owned web server that processes and routes the invoices to the appropriate payment system.

To register for WINS, go to the web site <https://ecweb.dfas.mil> and click on "New Account". Include vendor account information and in approximately 1 –2 days after registration, a user ID and password will be provided. After receipt of the user ID and password, please ensure you conduct testing on the system to ensure accuracy of the data submitted and systems' compatibility. If any problems are experienced in reaching this site, please call 1-800-756-4571 for assistance.

Instructions for accessing and using WinS , a WINS User Guide specifically for Subsistence can be downloaded from www.dfas.mil. Click on Electronic Commerce and scroll to "WINS Users Manual Volume 9, DISMS User Manual".
