SECTION B – SUPPLIES AND PRICE

DELIVERY: Delivery shall occur no more than 48 hours after order placement unless otherwise required by the ordering officer. All deliveries will be coordinated and verified with the Fleet Industrial Supply Center (FISC).

FOB TERMS: FOB Destination for all items.

PRICES: The unit prices for all items shall be IAW Clause 52.216-9P24 "PRICE CHANGES" (Oct 1995) DSCP.

The unit price is determined by the "DELIVERED PRICE" plus the "DISTRIBUTION PRICE". The delivered prices and distribution prices for the TOP 75 ITEMS are contained in Schedule of Items. Distribution prices for the remaining items are contained in attachment No. 2. The distribution prices in both attachments will remain fixed throughout the term of the contract.

Contract contains a guaranteed minimum of twenty-five (25%) of the estimated dollar value. The estimated minimum of the base year of this contract is \$11,250,000.00 million. The maximum ceiling will be two hundred percent (200%) of the estimated dollar value. In the event of emergencies or mobilization, the Government reserves the right to unilaterally execute an alternate maximum ceiling of three hundred percent (300%) of the estimated dollar value per contract period of this acquisition.

If the Government determines to invoke the options, the distribution prices remain same for all four option years.

SECTION C – DESCRIPTION/SPECIFICATIONS

Placement of orders:

Orders will be place through the FISC (Fleet Industrial Supply Center), between 6:30 AM – 11:00 AM and 1:00 PM – 3:00 PM, depending on the individual requirements of each customer. Occasionally, earlier deliveries may be required. In the summer months the Navy switches to a tropical schedule with deliveries beginning at 5:30 AM. In addition, individual ships may request specific delivery times. Every attempt will be made to meet individual requests, historically this may require as many as ten (10) simultaneous deliveries. These delivery times will be coordinated by the FISC/MSC and provided to the Prime Vendor. Vendor must communicate with the FISC/MSC, prior to arrival, to ensure availability of equipment and/or personnel. If orders are large and require more than one truck, the flow of operations should not be interrupted.

Ordering for supplies under this contract shall be performed by the FISC/MSC, via the Subsistence Total Ordering and Reciepting Electronic System (STORES).

SECTION D – PACKAGING AND MARKING

Packing, packaging, and markings shall be in accordance with the solicitation on pages 28 – 29.

SECTION E – INSPECTION AND ACCEPTANCE

Inspection and acceptance of products will be performed at destination. Each Ship will be responsible for accepting or rejecting products as it is delivered. All food items must be inspected for count, condition and identity and approved by the receiving ship's authorized personnel before acceptance can be made.
