CAUTION NOTICE

Attention Contractors! The Federal Streamlining Act of 1994 (PL 103-355) requires the broad use of Electronic Commerce and Electronic Data Interchange (EC/EDI) by federal agencies and the Debt Collection Improvement Act of 1996 (31 U.S.C. 3332;31 U.S.C. 7701) requires electronic funds transfer (EFT) for payment. In order to continue doing business with any DOD Agency, regardless of whether it is via EC/EDI or not, you must be registered in the **DoD Central Contractor Registration (CCR) database**. **For renewal or new registration information or assistance, visit the CCR web site (<http://www.ccr.edi.disa.mil>) or call 1-800-334-3414.**

The final rule on DFARS Case 97-D005, Central Contractor Registration was issued on March 31, 1998. CAUTION NOTICE

A T T E N T I O N C O N T R A C T O R S !

In response to two separate but related legislative actions, the Department of Defense (DoD) has established a “**DoD Central Contractor Registration (CCR)**” database. The Federal Acquisition Streamlining Act of 1994 (PL 103-355) requires the broad use of Electronic Commerce and Electronic Data Interchange (EC/EDI) by Federal Agencies and the Debt Collection Improvement Act of 1996 (31 U.S.C. 7701) requires electronics funds transfer (EFT) for payment. The company and address stated in block 17a. of Standard Form 1449 (page 1 of the attached solicitation) therefore **MUST** be registered in the DoD CCR database if you want to continue doing business with any DoD Agency, regardless of whether EC/EDI is a requirement for award.

DoD has published guidelines for CCR in the DoD Federal Acquisition Regulation Supplement (DFARS). This DFARS coverage (Dept Letter D.L. 98-008, dtd March 31, 1998) can be viewed at <http://www.acq.osd.mil/dp/dars/dfarltrs.html>. The DFARS coverage on CCR applies to the award on **any** contract, basic agreement, basic ordering agreement, or blanket purchase agreement after May 31, 1998.

For registration information or assistance, or for annual confirmation requirements, visit the Central Contractor Registration Web site at <http://ccr2000.com>, or call 1-888-227-2423.

For further information, your attention is directed to clause 252.204-7004 Required Central Contractor Registration (Mar 2000).

****Please Note** Unregistered contractors may be deemed ineligible for award.**

NOTICE TO OUR VALUED SUPPLIERS

The Defense Supply Center Philadelphia (DSCP) currently uses an ordering system known as STORES (Subsistence Total Ordering and Receipt Electronic System) from which the DoD customers have the capability to order items electronically under the resulting contract awarded from this solicitation.

Contractors are urged to become EDI capable as the intent is for all orders to be sent electronically using a standard EDI purchase order (ASC X12 version 3040 transaction set 850) directly from the customer to you, the supplier, and eventually adding electronic invoicing to the process. Your company should therefore take the necessary steps to enable your company to compete for business in the future. Your attention is directed to clauses 52.204-9P01 Submission of Information Regarding Electronic Data Interchange (EDI) (Mar 1994) DSCP (page 48) and 52.204-9P02, Information Relating to Electronic Data Interchange (EDI) (Mar 1994) DSCP (page 48). Our goal at the Defense Supply Center Philadelphia is to utilize EDI to the maximum extent possible.

ORDERING SYSTEM

Subsistence Total Order and Receipt Electronic System (STORES)

1. STORES is the Government's ordering system which is capable of accepting Orders from any of the Services', i.e. Army, Air Force, Navy or Marines, Individual ordering systems and translating the orders into an EDI (Electronic Data Interchange) format. In addition, this information is transmitted to DSCP for the purposes of contractor payment and customer billing.

2. Customers will be able to order all of their bread and bakery requirements through STORES.

Initially, STORES Orders will be transmitted via FAX from the customers listed in this solicitation to the successful awardee (s). While it is not a requirement of this solicitation, vendors are encouraged to have a separate FAX line in order to accommodate orders in a timely, efficient manner.

52.212-2 EVALUATION--COMMERCIAL ITEMS (JAN 1999)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

Technical and past performance, when combined are:

- Significantly more important than cost or price
- Approximately equal to cost or price
- Significantly less important than cost or price

(b) *Options.* The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced.

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

52.212-1 INSTRUCTIONS TO OFFERORS--COMMERCIAL ITEMS (OCT 2000)**(a) North American Industry Classification System (NAICS) Code and Small Business Size Standard.**

The NAICS code and small business size standard for this acquisition appear in Block 10 of the solicitation cover sheet (SF 1449). However, the small business size standard for a concern which submits an offer in its own name, but which proposes to furnish an item which it did not itself manufacture, is 500 employees.

(b) Submission of Offers.

Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show--

- (1) The solicitation number;
- (2) The time specified in the solicitation for receipt of offers;
- (3) The name, address, and telephone number of the offeror;
- (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;
- (5) Terms of any express warranty;
- (6) Price and any discount terms;
- (7) "Remit to" address, if different than mailing address;
- (8) A completed copy of the representations and certifications at FAR 52.212-3;
- (9) Acknowledgment of Solicitation Amendments;
- (10) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including contract numbers, points of contact with telephone numbers and other relevant information); and
- (11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) Period for Acceptance of Offers.

The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) Product Samples.

When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) Multiple Offers.

Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) Late Submissions, Modifications, Revisions, and Withdrawals of Offers.

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

- (A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(Continued)

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) Contract Award (not applicable to Invitation for Bids).

The Government intends to evaluate offers and award a contract without discussions with offerors.

Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) Multiple Awards.

The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

(i) Availability of Requirements Documents Cited in the Solicitation.

(4) "Registered in the CCR database" means that all mandatory information, including the DUNS number or the DUNS+4 number, if applicable, and the corresponding Commercial and Government Entity (CAGE) code, is in the CCR database; the DUNS number and the CAGE code have been validated; and all edits have been successfully completed.

(2) The offeror shall provide its DUNS or, if applicable, its DUNS+4 number with its offer, which will be used by the Contracting Officer to verify that the offeror is registered in the CCR database.

However, registration of an applicant submitting an application through a method other than the Internet may take up to 30 days. Therefore, offerors that are not registered should consider applying for registration immediately upon receipt of this solicitation.

(c) The Contractor is responsible for the accuracy and completeness of the data within the CCR, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the CCR database after the initial registration, the Contractor is required to confirm on an annual basis that its information in the CCR database is accurate and complete.

52.233-9000 AGENCY PROTESTS (SEP 1999) DLAD

Companies protesting this procurement may file a protest 1) with the contracting officer, 2) with the General Accounting Office, or 3) pursuant to Executive Order 12979, with the Agency for a decision by the Activity's Chief of the Contracting Office. Protests filed with the agency should clearly state that they are an "Agency Level Protest under Executive Order 12979." (Note: DLA procedures for Agency Level Protests filed under Executive Order No. 12979 allow for a higher level decision on the initial protest than would occur with a protest to the contracting officer; this process is not an appellate review of a contracting officer's decision on a protest previously filed with the contracting officer). Absent a clear indication of the intent to file an agency level protest, protests will be presumed to be protests to the contracting officer.

52.233-9001 DISPUTES: AGREEMENT TO USE ALTERNATIVE DISPUTE RESOLUTION (JUN 2001) DLAD

(a) The parties agree to negotiate with each other to try to resolve any disputes that may arise. Litigation will only be considered as a last resort when ADR is unsuccessful or has been documented by the party rejecting ADR to be inappropriate for resolving the dispute.

(b) Before either party determines ADR inappropriate, that party must discuss the use of ADR with the other party. The documentation rejecting ADR must be signed by an official authorized to bind the contractor (see FAR 52.233-1), or, for the Agency, by the contracting officer, and approved at a level above the contracting officer after consultation with the ADR Specialist and with legal counsel (see DLA Directive 5145.1). Contractor personnel are also encouraged to include the ADR Specialist in their discussions with the contracting officer before determining ADR to be inappropriate.

(c) If you wish to opt out of this clause, check here []. Alternate wording may be negotiated with the contracting officer.

**52.204-9P02 INFORMATION RELATING TO ELECTRONIC DATA INTERCHANGE (EDI)
(MAR 1994) DSCP**

(a) Electronic Data Interchange (EDI) is most commonly defined as the electronic exchange of data contained in normal business transactions, between trading partners, using a public standard format.

(b) The Defense Supply Center Philadelphia (DSCP) has implemented a system for EDI, using the Accredited Standards Committee (ASC) X12 and/or Uniform Communication Standard (UCS) Standards, as applicable, that will electronically transmit contracts and/or orders for the item(s) covered by this solicitation in addition to receiving invoices and transmitting payments electronically. Our goal is to utilize EDI to the maximum extent possible.

(c) EDI capability is not a requirement for award under this solicitation. Those offerors who can begin to use EDI should do so at this time. For those offerors who cannot, the mailing of hard copy documents will continue. This is being permitted since this is a transition period between the current methods and the full implementation of EDI technology and procedures. However, even though the current hard copy procedures will be permitted, it is the intent of the government that eventually all transactions will be via EDI.

(d) When the offeror intends to use EDI in the transmission and/or receipt of business documents--

(1) The offeror shall enter into an EDI Trading Partner Agreement (TPA) with DSCP (see paragraph (e) below). The EDI TPA defines the responsibilities of the trading partners exchanging electronic transactions.

(2) The offeror shall be responsible for providing its own computer hardware and computer software necessary to transmit and receive data electronically under the framework of the EDI TPA.

(3) All terms and conditions which would otherwise be applicable to a paper document shall apply to the electronic document.

(e) An electronic data interchange (EDI) trading partner agreement (TPA) will be provided to the offeror by the contracting officer upon request.

(d) The economic indicator shall be the "State-Wide Average CWT Class 1 Price Based Upon Production", as released monthly by the California Department of Food and Agriculture Dairy Marketing Branch in the "Minimum Prices for Class 1 Market Milk F.O.B. (1) Adjusting Price	\$11.75	CWT
(2) Base Price	\$11.98	CWT
(3) Change from Base Price per CWT	(\$0.23)	
(4) Price change per gallon (Line (3) divide by 11.63 gallons/cwt)	(\$0.0198)	
(5) Price change per box (\$0.0198) x 1.6875 gallons Rounded to two decimals	(\$0.0334) (\$0.03)

- (l) The aggregate of the increases in any contract unit price under this clause shall not exceed 30% of the original contract unit price. If at any time during the term of the contract, a proposed economic price adjustment will exceed this ceiling, either party may cancel the contract effective 60 days after receipt of written notice of the cancellation. In the event a written notice of cancellation is given, the price of the contract prior to the notice of cancellation will be applied from receipt of the notice until the date of cancellation. There is no percentage limit on downward adjustments under this clause.
- (m) In the event, publication of the economic indicator is discontinued or its method of calculation substantially altered so that it no longer reflects market prices, the parties shall mutually agree upon an appropriate substitute for price adjustment(s) under this clause.
- (n) Any dispute arising under this clause is subject to the “disputes” clause of the contract.

Codification and Modification of Berry Amendment

Interim Rule

Interim Rule effective April 26, 2002

Comments on interim rule should be submitted on or before June 25, 2002

Change/Clarification for Food:

For foods manufactured or processed in the United States, an exception to the domestic source requirement regardless of where the foods (and any component) were grown and produced.

252.225-7012 Preference for Certain Domestic Commodities (April 2002)

Adds definitions of "component" and "end product".

Also revised 252.225-7012

© This clause does not apply—

(3) To foods that have been manufactured or processed in the United States, its possessions, or Puerto Rico, **regardless of where the foods (and any component if applicable) were grown or produced.**

What does this mean for Contracting Specialists?

Use April 2002 Version of 252.225-7012 above SAT.

No longer must be concerned with ingredients, components of processed foods.

Still must purchase only food items manufactured or processed in U.S.

No need to add "Buy American/ Balance of Payments" Clause since Berry still restricts to domestic end products.

Need to revise wording included in the Descriptions/Specifications section of prime vendor solicitations on the Defense Appropriations Act.

What does this mean for the Food Vendors?

No longer must be concerned with or track ingredients, components of processed foods.

Vendor must certify food item supplied is domestically manufactured or processed.

As was previously the case, vendor must flow this requirement to subcontractor in commercial solicitations/contracts.

Note 1: Merely packaging or repackaging will not be sustained as "processing", but feel free to present specific situations to GS for an opinion.
