UNIQUE EXAMINATION/TEST PROCEDURES:

SPECIAL NOTES: Serviceability of the product is considered significantly affected if there are more than ten grams of crumbs, not discernible pieces, per pouch. Serviceability is also significantly affected if there are more than three broken pieces per cookie. This product is vacuum packaged. Inspect for "inadequate vacuum" by firmly grasping the edges of the package and attempt to pull or stretch the material away from the product for a short time. A pouch with adequate vacuum will return.
